IT'S IN YOUR HANDS
RECEIVE UP TO \$75 WHEN
CONSERVING ENERGY

SoCalGas® customers can receive up to **\$75** for participation in our *Smart Thermostat Program* this winter by registering for a voluntary call on customers to conserve natural gas on certain winter days between now and April 1, 2018.

Customers will earn **\$50** for enrolling in the program, and another **\$25** for staying enrolled.

Visit **socalgas.com/SmartTherm** to enroll before March 1, 2018.

SoCalGas Demand Response Thermostat Programs are administered by SoCalGas under the auspices of the California Public Utilities Commission. Program funds, including any funds utilized for rebates or incentives, will be allocated on a first-come, first-served basis until such funds are no longer available. This program may be modified or terminated without prior notice. Eligibility requirements apply; see the program conditions for details. SoCalGas customers who choose to participate in this program are not obligated to purchase any additional goods or services offered by Nest, ecobee or any other third party. SoCalGas makes no warranty, whether express or implied, including the warranty of merchantability or fitness for a particular purpose, of any Nest or ecobee goods or services. Reference herein to any specific information regarding SoCalGas or any commercial products or services by trade name, trademark, manufacturer or otherwise does not constitute or imply endorsement, recommendation or favoring by SoCalGas.

- 
- You must have a Nest or ecobee brand thermostat.*
 - You can expect up to five conservation events during winter months.
 - If a conservation event is issued, you can expect your thermostat to be adjusted by a few degrees.
 - You can override your smart thermostat and there's no penalty for not participating in a program event.

Not a Nest or ecobee customer, no problem.

*Currently **www.socalgas.com/rebates** is featuring offers of up to \$50 off both brands. SoCalGas also has available rebates in addition to the enrollment incentives to purchase your preferred smart thermostat.
