

MEDICAL BASELINE ALLOWANCE INFORMATION & APPLICATION

WHAT IS THE MEDICAL BASELINE ALLOWANCE PROGRAM?

The Medical Baseline Allowance program provides additional natural gas at the baseline rate for SoCalGas customers with certain medical conditions to help keep the house warm. It is not a discount or rebate. Customers on this program will receive 0.822 additional therms per day, billed at our baseline rate.

HOW TO QUALIFY

To qualify, you or a full-time resident of your home must require additional heat due to a medical condition.

Eligibility is NOT based on income.

WHAT IF I PAY MY LANDLORD FOR MY NATURAL GAS?

You may qualify for the program even if your landlord bills you for your natural gas. The landlord will reflect the allowance on your billing statement.

HOW DO I APPLY?

To apply, complete Part 1 of the attached application. Next, have a medical provider complete Part 2 of the application, certifying the need for additional heat due to the medical condition. Medical providers include licensed medical doctors [M.D.], doctors of osteopathy [D.O.], nurse practitioners [N.P.] or physician's assistants [P.A.]. We accept applications via email from your medical provider.

Mail the completed application to:
