SOUTHERN CALIFORNIA GAS COMPANY

NOTICE OF APPLICATION

**NOTIFICATION OF SOUTHERN CALIFORNIA GAS COMPANY'S REQUEST
TO INCREASE RATES FOR THE FORECASTED PIPELINE SAFETY
ENHANCEMENT PLAN IMPLEMENTATION
APPLICATION A.17-03-021**

On March 30, 2017, Southern California Gas Company (SoCalGas[®]) and San Diego Gas & Electric Company[®] (SDG&E[®]) jointly filed with the California Public Utilities Commission (CPUC), their application requesting the CPUC approve a rate increase for the implementation of the Pipeline Safety Enhancement Plan (PSEP). This application will cover forecasted costs associated with implementing the PSEP. SoCalGas is requesting an increase of \$44.58 million, starting in 2019, to cover these costs. If approved, the increase would be charged to customers over a 12-month period, or until the costs are recovered.

The CPUC opened Rulemaking (R.)11-02-019 to adopt new safety and reliability regulations for natural gas transmission and distribution pipelines, and to orderly and cost effectively replace or pressure test all natural gas transmission pipelines, for which reliable records were not available. SoCalGas and SDG&E initiated its PSEP work and began recording costs in their regulatory accounts, as directed by the CPUC in Decision (D.)12-04-021, D.14-06-007, and D.16-08-003. The CPUC determined in D.14-06-007 what costs should not be charged to customers and those costs have been excluded from this application. D.16-08-003 ordered SoCalGas and SDG&E to file a forecasted application as soon as possible to justify charging customers for costs associated with certain projects. This application complies with that direction.

The SoCalGas revenue increase requested in this application applies to gas distribution and transmission service, using a methodology which was previously approved by the CPUC. This application requests recovery of certain forecasted safety plan costs, which include the replacing, reduction of pipeline pressure, and abandoning of natural gas pipelines. Additionally, this application will seek to recover project management costs that support SoCalGas and SDG&E's safety enhancement plan. Recovery of costs incurred for additional safety related work will be requested in future applications.

ESTIMATED IMPACT OF THIS REQUEST ON GAS RATES

SoCalGas has estimated the impact of the requested \$44.58 million¹ increase in gas revenues under the proposed rates as shown in the tables below. The actual distribution of the increase to each customer class depends on how the CPUC ultimately decides all issues in the application.

¹ Total SoCalGas PSEP Revenue is approximately \$45.14 million, without Franchise Fees and Uncollectibles, which includes SDG&E PSEP costs of approximately \$0.56 million to cover the integration of Local Transmission PSEP costs between SoCalGas and SDG&E. The SoCalGas PSEP Revenue includes \$7.4 million to cover 2017 and 2018 costs.

Illustrative Proposed Class Average Rate Increase Per Customer Class:

Customer Class	¢/Therm	% increase
Residential	0.12 ¢/Therm	0.2%
Commercial	0.08 ¢/Therm	0.3%
Natural Gas Vehicles	0.05 ¢/Therm	0.3%
Large Industrial (distribution level service)	0.06 ¢/Therm	0.8%
Large Industrial (transmission level service)	0.04 ¢/Therm	1.8%
Backbone Transmission Service	4.31 ¢/Therm	13.4%
System Total	0.48 ¢/Therm	1.8%

If the CPUC approves SoCalGas' request for a gas rate increase and the rate allocation method, the bill for a typical bundled residential customer, using 35 therms per month, would increase **\$0.19**, or **0.5 percent**, from **\$41.16** to **\$41.35**. Individual customer bills may differ. SoCalGas is requesting **rates become effective in 2019**.

FOR FURTHER INFORMATION

You may request additional information or obtain a copy of the application and related exhibits by writing to: Brian Hoff, Southern California Gas Company, 555 W. Fifth St., GT14D6, Los Angeles, CA 90013-1011. SoCalGas' application and attachments may also be inspected at the CPUC's Central Files Office, 505 Van Ness Ave., San Francisco, CA 94102.

Copies of this Application will be available for viewing and printing on the SoCalGas web site at: socalgas.com/regulatory/cpuc.shtml.

Copies of this insert will be available for viewing and printing on the SoCalGas web site at socalgas.com/regulatory/.

CPUC PROCESS

This application will be assigned to an Administrative Law Judge (Judge) who will determine how to receive evidence and other related documents, necessary for the CPUC to establish a record upon which to base its decision. Evidentiary Hearings (EHs) may be held where parties of record will present their testimony and may be subject to cross-examination by other parties. These EHs are open to the public, but only those who are parties of record can participate.

After considering all proposals and evidence presented during the formal hearing process, the assigned Judge will issue a proposed decision which may adopt SoCalGas' proposal, modify it or deny it. Any CPUC Commissioner may sponsor an alternate decision. The

proposed decision, and any alternate decisions, will be discussed and voted upon at a scheduled CPUC Voting Meeting.

The Office of Ratepayer Advocates (ORA) may review this application. ORA is the independent consumer advocate within the CPUC with a legislative mandate to represent investor-owned utility customers to obtain the lowest possible rate for service consistent with reliable and safe service levels. ORA has a multi-disciplinary staff with expertise in economics, finance, accounting and engineering. For more information about ORA, please call (415) 703-1584, e-mail ora@cpuc.ca.gov or visit ORA's web site at www.ora.ca.gov.

STAY INFORMED

If you would like to follow this proceeding, or any other issue before the CPUC, you may use the CPUC's free subscription service. Sign up at: <http://subscribecpuc.cpuc.ca.gov/>.

If you would like to learn how you can participate in the proceeding, have informal comments, or if you have questions about the CPUC processes, you may access the CPUC's Public Advisor Office (PAO) webpage at <http://www.cpuc.ca.gov/pao/>. You may also contact the PAO as follows:

Write: CPUC Public Advisor's Office
505 Van Ness Ave.
San Francisco, CA 94102

SAN DIEGO GAS & ELECTRIC COMPANY

NOTICE OF APPLICATION

**NOTIFICATION OF SAN DIEGO GAS & ELECTRIC COMPANY'S REQUEST
TO INCREASE RATES FOR THE FORECASTED PIPELINE SAFETY
ENHANCEMENT PLAN IMPLEMENTATION**
APPLICATION NO. A.17-03-021

On March 30, 2017, San Diego Gas & Electric Company (SDG&E[®]) and Southern California Gas Company (SoCalGas[®]) jointly filed with the California Public Utilities Commission (CPUC), their application requesting the CPUC approve a rate increase for the implementation of the Pipeline Safety Enhancement Plan (PSEP). This application will cover forecasted costs associated with implementing the PSEP related to SoCalGas projects. SDG&E is requesting an increase of \$0.56 million, starting 2019, to cover the integration of Local Transmission PSEP costs between SoCalGas and SDG&E. If approved, the increase would be charged to customers over a 12-month period, or until the costs are recovered.

The CPUC opened Rulemaking R.11-02-019 to adopt new safety and reliability regulations for natural gas transmission and distribution pipelines, and to orderly and cost effectively replace or pressure test all natural gas transmission pipelines, for which reliable records were not available. SDG&E and SoCalGas initiated its PSEP work and began recording costs in their regulatory accounts, as directed by the CPUC in Decision D. 12-04-021, D.14-06-007, and D.16-08-003. The CPUC determined in D.14-06-007 what costs should not be charged to customers and those costs have been excluded from this application. D.16-08-003 ordered SDG&E and SoCalGas to file a forecasted application as soon as possible to justify charging customers for costs associated with certain projects. This application complies with that direction.

The SDG&E revenue increase requested in this application applies to gas distribution and transmission service, using a methodology which was previously approved by the CPUC. This application requests recovery of certain safety plan costs, which include the replacing, reduction of pipeline pressure, and abandoning of natural gas pipelines. Additionally, this application will seek to recover project management costs that support SoCalGas and SDG&E's safety enhancement plan. Recovery of costs incurred for additional safety related work will be requested in future applications.

ESTIMATED IMPACT OF THIS REQUEST ON GAS RATES

SDG&E has estimated the impact of the requested \$0.56 million, without Franchise Fees and Uncollectibles, increase in gas revenues under the proposed rates as shown in the tables below. The actual distribution of the increase to each customer class depends on how the CPUC ultimately decides all issues in the application.

Illustrative Proposed Class Average Rate Increase Per Customer Class:

Customer Class	Annual ¢/Therm	% Increase
Residential	0.07 ¢/Therm	0.1%
Commercial	0.05 ¢/Therm	0.1%
Natural Gas Vehicles	0.05 ¢/Therm	0.3%
Large Industrial (distribution level service)	0.04 ¢/Therm	0.4%
Large Industrial (transmission level service)	0.04 ¢/Therm	2.1%
System Total	0.05 ¢/Therm	0.1%

If the CPUC approves SDG&E's request for a gas rate increase the bill for a typical bundled residential customer, using 25 therms per month, would increase \$0.12, or 0.3 percent, from \$37.07 to \$37.19. Individual customer bills may differ. SDG&E is requesting rates become effective in 2019.

FOR FURTHER INFORMATION

You may request additional information or obtain a copy of the application and related exhibits by writing to: Brian Hoff, Southern California Gas Company, 555 W. Fifth St., GT14D6, Los Angeles, CA 90013-1011. A copy of the application can also be viewed at the CPUC's Central Files in San Francisco by appointment. For more information, please contact them at aljcentralfilesid@cpuc.ca.gov or (415) 703-2045. SDG&E's application and attachments may also be inspected at the SDG&E business offices listed below:

436 H St.
Chula Vista, CA 91910

104 N. Johnson Ave.
El Cajon, CA 92020

2405 E. Plaza Blvd.
National City, CA 91950

336 Euclid Ave.
San Diego, CA 92114

440 Beech St.
San Diego, CA 92101

644 W. Mission Ave.
Escondido, CA 92025

Copies of this application will be available for viewing and printing on the SDG&E website at: <http://www.sdge.com/proceedings>.

Copies of this insert will be available for viewing and printing on the SDG&E website at www.sdge.com/regulatory-notices.

CPUC PROCESS

This application will be assigned to an Administrative Law Judge (Judge) who will determine how to receive evidence and other related documents, necessary for the CPUC to establish a record upon which to base its decision. Evidentiary Hearings (EHs) may be held where parties of record will present their testimony and may be subject to cross-examination by other parties. These EHs are open to the public, but only those who are parties of record can participate.

After considering all proposals and evidence presented during the formal hearing process, the assigned Judge will issue a proposed decision which may adopt SDG&E's proposal, modify it or deny it. Any CPUC Commissioner may sponsor an alternate decision. The proposed decision, and any alternate decisions, will be discussed and voted upon at a scheduled CPUC Voting Meeting.

The Office of Ratepayer Advocates (ORA) may review this application. ORA is the independent consumer advocate within the CPUC with a legislative mandate to represent investor-owned utility customers to obtain the lowest possible rate for service consistent with reliable and safe service levels. ORA has a multi-disciplinary staff with expertise in economics, finance, accounting and engineering. For more information about ORA, please call (415) 703-1584, email ora@cpuc.ca.gov or visit ORA's website at www.ora.ca.gov.

SAN DIEGO GAS & ELECTRIC COMPANY

**PROOF OF MAILING TO
THE STATE, CITY AND COUNTY AGENCIES**

BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA

Application of Southern California Gas
Company (U 904 G) and San Diego Gas &
Electric Company (U 902 G) for (A) Approval
of the Forecasted Revenue Requirement
Associated with Certain Pipeline Safety
Enhancement Plan Projects and Associated
Rate Recovery, and (B) Authority to Modify
and Create Certain Balancing Accounts

Application No 17-03-021
(Filed: March 30, 2017)

NOTICE OF AVAILABILITY

Southern California Gas Company (U 904 G) and San Diego Gas & Electric Company (U 902 G) for (A) Approval of the Forecasted Revenue Requirement Associated with Certain Pipeline Safety Enhancement Plan Projects and Associated Rate Recovery, and (B) Authority to Modify and Create Certain Balancing Accounts

Pursuant to Rule 3.2(b) of the Commission's Rules of Practice and Procedure, *Southern California Gas Company ("SoCalGas") and San Diego Gas & Electric Company ("SDG&E," with SoCalGas, "Applicants") respectfully submit this Application requesting (a) approval of the total forecasted revenue requirement and associated rate recovery for certain Pipeline Safety Enhancement Plan ("PSEP") projects identified as part of Phases 1B and 2A; and (b) authority to (i) modify the existing Safety Enhancement Expense Balancing Accounts ("SEEBAs") and Safety Enhancement Capital Cost Balancing Accounts ("SECCBAs") to record costs discretely for Phase 1B projects, and (ii) create new balancing accounts to record costs for Phase 2 projects.* (the "Application") filed with the Commission on January 17, 2017. The application and supporting testimony is available to all interested parties and to the public. Any recipient of this Notice of Availability may request a copy of the filing. In addition, SDG&E has the following website to view this application and testimony. It is: <http://www.sdge.com/proceedings>.

All requests should be directed to:

AVISHA A. PATEL

Attorney for:

SOUTHERN CALIFORNIA GAS COMPANY

SAN DIEGO GAS & ELECTRIC COMPANY

555 West Fifth Street, GT-14E7

Los Angeles, California 90013

Telephone: (213) 244- 2954

Facsimile: (213) 629-9620

E-mail: APatel@semprautilities.com

April 5, 2017

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA**

CERTIFICATE OF SERVICE

I hereby certify that a copy of the NOTICE OF AVAILABILITY OF Application of Southern California Gas Company (U 904 G) and San Diego Gas & Electric Company (U 902 G) for (A) Approval of the Forecasted Revenue Requirement Associated with Certain Pipeline Safety Enhancement Plan Projects and Associated Rate Recovery, and (B) Authority to Modify and Create Certain Balancing Accounts has been served on the cities, counties and government agencies as called out in Rule 3.2(b) of the Commission's Rules of Practice and Procedure.

Dated at San Diego, California this 5th day of April, 2017.

Heather Belus

NOTIFICATION OF SAN DIEGO GAS & ELECTRIC COMPANY'S REQUEST TO INCREASE RATES FOR THE FORECASTED PIPELINE SAFETY ENHANCEMENT PLAN IMPLEMENTATION
 APPLICATION NO. A.17-03-021

On March 30, 2017, San Diego Gas & Electric Company (SDG&E) and Southern California Gas Company (SoCalGas) jointly filed with the California Public Utilities Commission (CPUC), their application requesting the CPUC approve a rate increase for the implementation of the Pipeline Safety Enhancement Plan (PSEP). This application will cover forecasted costs associated with implementing the PSEP related to SoCalGas projects. SDG&E is requesting an increase of \$0.56 million, starting 2019, to cover the integration of Local Transmission PSEP costs between SoCalGas and SDG&E. If approved, the increase would be charged to customers over a 12-month period, or until the costs are recovered.

The CPUC opened Rulemaking R.11-02-010 to adopt new safety and reliability regulations for natural gas transmission and distribution pipelines, and to orderly and cost effectively replace or pressure test all natural gas transmission pipelines, for which reliable records were not available. SDG&E and SoCalGas initiated its PSEP work and began recording costs in their regulatory accounts, as directed by the CPUC in Decision D. 12-04-021, D. 14-06-007, and D. 16-06-003. The CPUC determined in D. 14-06-007 what costs should not be charged to customers and those costs have been excluded from this application. D. 16-06-003 ordered SDG&E and SoCalGas to file a forecasted application as soon as possible to justify charging customers for costs associated with certain projects. This application complies with that direction.

The SDG&E revenue increase requested in this application applies to gas distribution and transmission service, using a methodology which was previously approved by the CPUC. This application requests recovery of certain safety plan costs, which include the replacing, reduction of pipeline pressure, and abandoning of natural gas pipelines. Additionally, this application will seek to recover project management costs that support SoCalGas and SDG&E's safety enhancement plan. Recovery of costs incurred for additional safety related work will be requested in future applications.

ESTIMATED IMPACT OF THIS REQUEST ON GAS RATES

SDG&E has estimated the impact of the requested \$0.56 million, without Franchise Fees and Uncollectibles, increase in gas revenues under the proposed rates as shown in the tables below. The actual distribution of the increase to each customer class depends on how the CPUC ultimately decides all issues in the application.

Illustrative Proposed Class Average Rate Increase Per Customer Class:

Customer Class	Annual \$/Therm	% Increase
Residential	0.07 \$/Therm	0.1%
Commercial	0.05 \$/Therm	0.1%
Medium Gas Vehicles	0.05 \$/Therm	0.3%
Large Industrial (distribution level service)	0.04 \$/Therm	0.4%
Large Industrial (transmission level service)	0.04 \$/Therm	2.1%
System Total	0.05 \$/Therm	0.1%

If the CPUC approves SDG&E's request for a gas rate increase the bill for a typical bundled residential customer, using 26 therms per month, would increase \$0.12, or 0.3 percent, from \$37.07 to \$37.19. Individual customer bills may differ. SDG&E is requesting rates become effective in 2019.

FOR FURTHER INFORMATION

You may request additional information or obtain a copy of the application and related exhibits by writing to: Brian Hoff, Southern California Gas Company, 555 W. Fifth St., GT14DB, Los Angeles, CA 90013-1011. A copy of the application can also be viewed at the CPUC's Central Files in San Francisco by appointment. For more information, please contact them at allcentralfilesid@cpuc.ca.gov or (415) 703-2045. SDG&E's application and attachments may also be inspected at the SDG&E business offices listed below:

438 H St. Chula Vista, CA 91910	2405 E. Plaza Blvd. National City, CA 91950	440 Beach St. San Diego, CA 92101
104 N. Johnson Ave. El Cajon, CA 92020	336 Euclid Ave. San Diego, CA 92114	644 W. Mission Ave. Escondido, CA 92025

Copies of this application will be available for viewing and printing on the SDG&E website at: <http://www.sdge.com/proceedings>.

Copies of this insert will be available for viewing and printing on the SDG&E website at www.sdge.com/regulatory-notices.

CPUC PROCESS

This application will be assigned to an Administrative Law Judge (Judge) who will determine how to receive evidence and other related documents, necessary for the CPUC to establish a record upon which to base its decision. Evidentiary Hearings (EHs) may be held where parties of record will present their testimony and may be subject to cross-examination by other parties. These EHs are open to the public, but only those who are parties of record can participate.

After considering all proposals and evidence presented during the formal hearing process, the assigned Judge will issue a proposed decision which may adopt SDG&E's proposal, modify it or deny it. Any CPUC Commissioner may sponsor an alternate decision. The proposed decision, and any alternate decisions, will be discussed and voted upon at a scheduled CPUC Voting Meeting.

The Office of Ratepayer Advocates (ORA) may review this application. ORA is the independent consumer advocate within the CPUC with a legislative mandate to represent investor-owned utility customers to obtain the lowest possible rate for service consistent with reliable and safe service levels. ORA has a multi-disciplinary staff with expertise in economics, finance, accounting and engineering. NOTIFICATION OF SAN DIEGO GAS & ELECTRIC COMPANY'S REQUEST TO INCREASE RATES FOR THE FORECASTED PIPELINE SAFETY ENHANCEMENT PLAN IMPLEMENTATION APPLICATION NO. A.17-03-021

On March 30, 2017, San Diego Gas & Electric Company (SDG&E) and Southern California Gas Company (SoCalGas) jointly filed with the California Public Utilities Commission (CPUC), their application requesting the CPUC approve a rate increase for the implementation of the Pipeline Safety Enhancement Plan (PSEP). This application will cover forecasted costs associated with implementing the PSEP related to SoCalGas projects. SDG&E is requesting an increase of \$0.50 million, starting 2019, to cover the integration of Local Transmission PSEP costs between SoCalGas and SDG&E. If approved, the increase would be charged to customers over a 12-month period, or until the costs are recovered.

The CPUC opened Rulemaking R.11-02-010 to adopt new safety and reliability regulations for natural gas transmission and distribution pipelines, and to orderly and cost effectively replace or pressure test all natural gas transmission pipelines, for which reliable records were not available. SDG&E and SoCalGas initiated its PSEP work and began recording costs in their regulatory accounts, as directed by the CPUC in Decision D. 12-04-021, D.14-06-007, and D.16-08-003. The CPUC determined in D.14-06-007 what costs should not be charged to customers and those costs have been excluded from this application. D.16-08-003 ordered SDG&E and SoCalGas to file a forecasted application as soon as possible to justify charging customers for costs associated with certain projects. This application complies with that direction.

The SDG&E revenue increase requested in this application applies to gas distribution and transmission service, using a methodology which was previously approved by the CPUC. This application requests recovery of certain safety plan costs, which include the replacing, reduction of pipeline pressure, and abandoning of natural gas pipelines. Additionally, this application will seek to recover project management costs that support SoCalGas and SDG&E's safety enhancement plan. Recovery of costs incurred for additional safety related work will be requested in future applications.

ESTIMATED IMPACT OF THIS REQUEST ON GAS RATES

SDG&E has estimated the impact of the requested \$0.50 million, without Franchise Fees and Uncollectibles, increase in gas revenues under the proposed rates as shown in the tables below. The actual distribution of the increase to each customer class depends on how the CPUC ultimately decides all issues in the application.

Illustrative Proposed Class Average Rate Increase Per Customer Class:

Customer Class	Annual \$/Therm	% Increase
Residential	0.07 \$/Therm	0.1%
Commercial	0.06 \$/Therm	0.1%
Natural Gas Vehicles	0.06 \$/Therm	0.3%
Large Industrial (distribution level service)	0.04 \$/Therm	0.4%
Large Industrial (transmission level service)	0.03 \$/Therm	0.1%
System Total	0.06 \$/Therm	0.1%

If the CPUC approves SDG&E's request for a gas rate increase the bill for a typical bundled residential customer, using 25 therms per month, would increase \$0.12, or 0.3 percent, from \$37.07 to \$37.19. Individual customer bills may differ. SDG&E is requesting rates become effective in 2019.

FOR FURTHER INFORMATION

You may request additional information or obtain a copy of the application and related exhibits by writing to: Brian Hoff, Southern California Gas Company, 655 W. Fifth St., GT14D6, Los Angeles, CA 90013-1011. A copy of the application can also be viewed at the CPUC's Central Files in San Francisco by appointment. For more information, please contact them at bjcentralfiled@cpuc.ca.gov or (415) 703-2046. SDG&E's application and attachments may also be inspected at the SDG&E business offices listed below:

436 H St. Chula Vista, CA 91910	2406 E Plaza Blvd. National City, CA 91950	440 Beach St. San Diego, CA 92101
104 N. Johnson Ave. El Cajon, CA 92020	336 Euclid Ave. San Diego, CA 92114	644 W. Mission Ave. Escondido, CA 92025

Copies of this application will be available for viewing and printing on the SDG&E website at: <http://www.sdge.com/regulatory>.

Copies of this Insert will be available for viewing and printing on the SDG&E website at www.sdge.com/regulatory-notices.

CPUC PROCESS

This application will be assigned to an Administrative Law Judge (Judge) who will determine how to receive evidence and other related documents, necessary for the CPUC to establish a record upon which to base its decision. Evidentiary Hearings (EHs) may be held where parties of record will present their testimony and may be subject to cross-examination by other parties. These EHs are open to the public, but only those who are parties of record can participate.

After considering all proposals and evidence presented during the formal hearing process, the assigned Judge will issue a proposed decision which may adopt SDG&E's proposal, modify it or deny it. Any CPUC Commissioner may sponsor an alternate decision. The proposed decision, and any alternate decisions, will be discussed and voted upon at a scheduled CPUC Voting Meeting.

The Office of Ratepayer Advocates (ORA) may review this application. ORA is the independent consumer advocate within the CPUC with a legislative mandate to represent investor-owned utility customers to obtain the lowest possible rate for services consistent with reliable and safe service levels. ORA has a multidisciplinary staff with expertise in economics, finance, accounting and engineering. For more information about ORA, please call (415) 703-1584, email ora@cpuc.ca.gov or visit ORA's website at www.ora.ca.gov.

STAY INFORMED

NOTIFICATION OF SAN DIEGO GAS & ELECTRIC COMPANY'S REQUEST TO INCREASE RATES FOR THE FORECASTED PIPELINE SAFETY ENHANCEMENT PLAN IMPLEMENTATION
 APPLICATION NO. A.17-03-021

On March 30, 2017, San Diego Gas & Electric Company (SDG&E) and Southern California Gas Company (SoCalGas) jointly filed with the California Public Utilities Commission (CPUC), their application requesting the CPUC approve a rate increase for the implementation of the Pipeline Safety Enhancement Plan (PSEP). This application will cover forecasted costs associated with implementing the PSEP related to SoCalGas projects. SDG&E is requesting an increase of \$0.56 million, starting 2019, to cover the integration of Local Transmission PSEP costs between SoCalGas and SDG&E. If approved, the increase would be charged to customers over a 12-month period, or until the costs are recovered.

The CPUC opened Rulemaking R.11-02-019 to adopt new safety and reliability regulations for natural gas transmission and distribution pipelines, and to orderly and cost effectively replace or pressure test all natural gas transmission pipelines, for which reliable records were not available. SDG&E and SoCalGas initiated its PSEP work and began recording costs in their regulatory accounts, as directed by the CPUC in Decision D. 12-04-021, D.14-06-007, and D.16-08-003. The CPUC determined in D.14-06-007 what costs should not be charged to customers and those costs have been excluded from this application. D.16-08-003 ordered SDG&E and SoCalGas to file a forecasted application as soon as possible to justify charging customers for costs associated with certain projects. This application complies with that direction.

The SDG&E revenue increase requested in this application applies to gas distribution and transmission service, using a methodology which was previously approved by the CPUC. This application requests recovery of certain safety plan costs, which include the replacing, reduction of pipeline pressure, and abandoning of natural gas pipelines. Additionally, this application will seek to recover project management costs that support SoCalGas and SDG&E's safety enhancement plan. Recovery of costs incurred for additional safety related work will be requested in future applications.

ESTIMATED IMPACT OF THIS REQUEST ON GAS RATES

SDG&E has estimated the impact of the requested \$0.56 million, without Franchise Fees and Uncollectibles, increase in gas revenues under the proposed rates as shown in the tables below. The actual distribution of the increase to each customer class depends on how the CPUC ultimately decides all issues in the application.

Illustrative Proposed Class Average Rate Increase Per Customer Class:

Customer Class	Annual \$/Therm	% Increase
Residential	0.07 \$/Therm	0.1%
Commercial	0.06 \$/Therm	0.3%
Natural Gas Vehicles	0.05 \$/Therm	0.3%
Large Industrial (distribution level service)	0.04 \$/Therm	0.4%
Large Industrial (transmission level service)	0.04 \$/Therm	2.1%
System Total	0.05 \$/Therm	0.1%

If the CPUC approves SDG&E's request for a gas rate increase the bill for a typical bundled residential customer, using 25 therms per month, would increase \$0.12, or 0.3-percent, from \$37.07 to \$37.19. Individual customer bills may differ. SDG&E is requesting rates become effective in 2019.

FOR FURTHER INFORMATION

You may request additional information or obtain a copy of the application and related exhibits by writing to: Brian Hoff, Southern California Gas Company, 555 W. Fifth St., GT14D6, Los Angeles, CA 90013-1011. A copy of the application can also be viewed at the CPUC's Central Files in San Francisco by appointment. For more information, please contact them at ajcentrafilesid@cpuc.ca.gov or (415) 703-2045. SDG&E's application and attachments may also be inspected at the SDG&E business offices listed below:

**NOTIFICATION OF SOUTHERN CALIFORNIA GAS
COMPANY'S REQUEST TO INCREASE RATES FOR
THE FORECASTED PIPELINE SAFETY
ENHANCEMENT PLAN IMPLEMENTATION
APPLICATION A.17-03-021**

On March 30, 2017, Southern California Gas Company (SoCalGas[®]) and San Diego Gas & Electric Company[®] (SDG&E[®]) jointly filed with the California Public Utilities Commission (CPUC), their application requesting the CPUC approve a rate increase for the implementation of the Pipeline Safety Enhancement Plan (PSEP). This application will cover forecasted costs associated with implementing the PSEP. SoCalGas is requesting an increase of \$44.58 million, starting in 2019, to cover these costs. If approved, the increase would be charged to customers over a 12-month period, or until the costs are recovered.

The CPUC opened Rulemaking (R.)11-02-019 to adopt new safety and reliability regulations for natural gas transmission and distribution pipelines, and to orderly and cost effectively replace or pressure test all natural gas transmission pipelines, for which reliable records were not available. SoCalGas and SDG&E initiated its PSEP work and began recording costs in their regulatory accounts, as directed by the CPUC in Decision (D.)12-04-021, D.14-06-007, and D.16-08-003. The CPUC determined in D.14-06-007 what costs should not be charged to customers and those costs have been excluded from this application. D.16-08-003 ordered SoCalGas and SDG&E to file a forecasted application as soon as possible to justify charging customers for costs associated with certain projects. This application complies with that direction.

The SoCalGas revenue increase requested in this application applies to gas distribution and transmission service, using a methodology which was previously approved by the CPUC. This application requests recovery of certain forecasted safety plan costs, which include the replacing, reduction of pipeline

(Continued inside)

pressure, and abandoning of natural gas pipelines. Additionally, this application will seek to recover project management costs that support SoCalGas and SDG&E's safety enhancement plan. Recovery of costs incurred for additional safety related work will be requested in future applications.

ESTIMATED IMPACT OF THIS REQUEST ON GAS RATES
SoCalGas has estimated the impact of the requested \$44.58 million increase in gas revenues under the proposed rates as shown in the tables below. The actual distribution of the increase to each customer class depends on how the CPUC ultimately decides all issues in the application.

**Illustrative Proposed Class Average Rate Increase
Per Customer Class:**

Customer Class	¢/Therm	% Increase
Residential	0.12 ¢/Therm	0.2%
Commercial	0.08 ¢/Therm	0.3%
Natural Gas Vehicles	0.05 ¢/Therm	0.3%
Large Industrial (distribution level service)	0.06 ¢/Therm	0.8%
Large Industrial (transmission level service)	0.04 ¢/Therm	1.8%
Backbone Transmission Service	4.31 ¢/Therm	13.4%
System Total	0.48 ¢/Therm	1.8%

If the CPUC approves SoCalGas' request for a gas rate increase and the rate allocation method, the bill for a typical bundled residential customer, using 35 therms per month, would increase \$0.19, or 0.5 percent, from \$41.16 to \$41.35. Individual customer bills may differ. SoCalGas is requesting rates become effective in 2019.

FOR FURTHER INFORMATION

You may request additional information or obtain a copy of the application and related exhibits by writing to: Brian Hoff,

¹ Total SoCalGas PSEP Revenue is approximately \$45.14 million, without Franchise Fees and Uncollectibles, which includes SDG&E PSEP costs of approximately \$0.56 million to cover the integration of Local Transmission PSEP costs between SoCalGas and SDG&E. The SoCalGas PSEP Revenue includes \$7.4 million to cover 2017 and 2018 costs.

Southern California Gas Company, 555 W. Fifth St., GT14D6, Los Angeles, CA 90013-1011. SoCalGas' application and attachments may also be inspected at the CPUC's Central Files Office, 505 Van Ness Ave., San Francisco, CA 94102.

Copies of this Application will be available for viewing and printing on the SoCalGas web site at: socialgas.com/regulatory/cpuc.shtml.

Copies of this insert will be available for viewing and printing on the SoCalGas web site at socialgas.com/regulatory/.

CPUC PROCESS

This application will be assigned to an Administrative Law Judge (Judge) who will determine how to receive evidence and other related documents, necessary for the CPUC to establish a record upon which to base its decision. Evidentiary Hearings (EHs) may be held where parties of record will present their testimony and may be subject to cross-examination by other parties. These EHs are open to the public, but only those who are parties of record can participate.

After considering all proposals and evidence presented during the formal hearing process, the assigned Judge will issue a proposed decision which may adopt SoCalGas' proposal, modify it or deny it. Any CPUC Commissioner may sponsor an alternate decision. The proposed decision, and any alternate decisions, will be discussed and voted upon at a scheduled CPUC Voting Meeting.

The Office of Ratepayer Advocates (ORA) may review this application. ORA is the independent consumer advocate within the CPUC with a legislative mandate to represent investor-owned utility customers to obtain the lowest possible rate for service consistent with reliable and safe service levels. ORA has a multi-disciplinary staff with expertise in economics, finance, accounting and engineering. **NOTIFICATION OF SAN DIEGO GAS & ELECTRIC
COMPANY'S REQUEST TO INCREASE RATES FOR
THE FORECASTED PIPELINE SAFETY
ENHANCEMENT PLAN IMPLEMENTATION
APPLICATION NO. A.17-03-021**

On March 30, 2017, San Diego Gas & Electric Company (SDG&E[®]) and Southern California Gas Company (SoCalGas[®]) jointly filed with the California Public Utilities Commission (CPUC), their application requesting the CPUC approve a rate increase for the implementation of the Pipeline Safety Enhancement Plan (PSEP). This application will cover forecasted costs associated with implementing the PSEP related to SoCalGas projects. SDG&E is requesting an increase of \$0.56 million, starting 2019, to cover the integration of Local Transmission PSEP costs between SoCalGas and SDG&E. If approved, the increase would be charged to customers over a 12-month period, or until the costs are recovered.

The CPUC opened Rulemaking R.11-02-019 to adopt new safety and reliability regulations for natural gas transmission and distribution pipelines, and to orderly and cost effectively replace or pressure test all natural gas transmission pipelines, for which reliable records were not available. SDG&E and SoCalGas initiated its PSEP work and began recording costs in their regulatory accounts, as directed by the CPUC in Decision D.12-04-021, D.14-06-007, and D.16-08-003. The CPUC determined in D.14-06-007 what costs should not be charged to customers and those costs have been excluded from this application. D.16-08-003 ordered SDG&E and SoCalGas to file a forecasted application as soon as possible to justify charging customers for costs associated with certain projects. This application complies with that direction.

The SDG&E revenue increase requested in this application applies to gas distribution and transmission service, using a methodology which was previously approved by the CPUC. This application requests recovery of certain safety plan costs, which include the replacing, reduction of pipeline pressure, and abandoning of natural gas pipelines. Additionally, this application will seek to recover project management costs that support SoCalGas and SDG&E's safety enhancement plan. Recovery of costs incurred for additional safety related work will be requested in future applications.

(Continued Inside)

ESTIMATED IMPACT OF THIS REQUEST ON GAS RATES

SDG&E has estimated the impact of the requested \$0.56 million, without Franchise Fees and Uncollectibles, increase in gas revenues under the proposed rates as shown in the tables below. The actual distribution of the increase to each customer class depends on how the CPUC ultimately decides all issues in the application.

**ILLUSTRATIVE PROPOSED CLASS AVERAGE RATE
INCREASE PER CUSTOMER CLASS:**

Customer Class	Annual ¢/Therm	% Increase
Residential	0.07	0.1%
Commercial	0.05	0.1%
Natural Gas Vehicles	0.05	0.3%
Large Industrial (distribution level service)	0.04	0.4%
Large Industrial (transmission level service)	0.04	2.1%
System Total	0.05	0.1%

If the CPUC approves SDG&E's request for a gas rate increase the bill for a typical bundled residential customer, using 25 therms per month, would increase \$0.12, or 0.3 percent, from \$37.07 to \$37.19. Individual customer bills may differ. SDG&E is requesting rates become effective in 2019.

FOR FURTHER INFORMATION

You may request additional information or obtain a copy of the application and related exhibits by writing to: Brian Hoff, Southern California Gas Company, 555 W. Fifth St., GT14D6, Los Angeles, CA 90013-1011. A copy of the application can also be viewed at the CPUC's Central Files in San Francisco by appointment. For more information, please contact them at alcentralfilesid@cpuc.ca.gov or (415) 703-2045. SDG&E's application and attachments may also be inspected at the SDG&E business offices listed below:

436 H St. Chula Vista, CA 91910	440 Beech St. San Diego, CA 92101	336 Euclid Ave. San Diego, CA 92114
2405 E. Plaza Blvd. National City, CA 91950	104 N. Johnson Ave. El Cajon, CA 92020	644 W. Mission Ave. Escondido, CA 92025

Copies of this application will be available for viewing and printing on the SDG&E website at: <http://www.sdge.com/proceedings>.

Copies of this insert will be available for viewing and printing on the SDG&E website at www.sdge.com/regulatory-notice.

CPUC PROCESS

This application will be assigned to an Administrative Law Judge (Judge) who will determine how to receive evidence and other related documents, necessary for the CPUC to establish a record upon which to base its decision. Evidentiary Hearings (EHs) may be held where parties of record will present their testimony and may be subject to cross-examination by other parties. These EHs are open to the public, but only those who are parties of record can participate.

After considering all proposals and evidence presented during the formal hearing process, the assigned Judge will issue a proposed decision which may adopt SDG&E's proposal, modify it or deny it. Any CPUC Commissioner may sponsor an alternate decision. The proposed decision, and any alternate decisions, will be discussed and voted upon at a scheduled CPUC Voting Meeting.

The Office of Ratepayer Advocates (ORA) may review this application. ORA is the independent consumer advocate within the CPUC with a legislative mandate to represent investor-owned utility customers to obtain the lowest possible rate for service consistent with reliable and safe service levels. ORA has a multi-disciplinary staff with expertise in economics, finance, accounting and engineering. For more information about ORA, please call (415) 703-1584, email ora@cpuc.ca.gov or visit ORA's website at www.ora.ca.gov.
