What is the Gas Assistance Fund?

The Gas Assistance Fund (GAF) is a program that helps people in our communities—such as the elderly, disabled, veterans and newly unemployed—pay their natural gas bills.

Who donates to GAF?

This program, administered by United Way of Greater Los Angeles, is supported by generous customer contributions that are matched by our shareholders. Gas rates are not affected by matching funds. For more information, visit **socalgas.com** (search "GAF").
