

# EXPRESS EFFICIENCY REBATES

CASH IN ON ENERGY SAVINGS AND  
REBATES OF UP TO \$200,000

Now is the time to improve the energy efficiency of your facility by replacing or upgrading your equipment. Now through December 31, 2009 (or until rebate funds are depleted), eligible business customers of The Gas Company<sup>SM</sup> may receive cash rebates of up to \$200,000 per customer, per year on qualifying high-efficiency gas equipment.

**“ We received over \$30,000 in Express rebates when we replaced our boilers and tank/pipe insulation. Plus, we’re saving about \$18,000 a year in reduced energy costs.”**

Gary Embrey, General Manager,  
Marriott Newport Beach Hotel & Spa

The Express Efficiency Program offers rebates on pipe and tank insulation, as well as many other appliances commonly used by commercial and industrial customers.

<b>EQUIPMENT</b>	<b>CASH REBATE</b> (for qualifying measures)
Steam Traps (Rebate not available for Dry Cleaners)	Up to \$200 per unit
Pipe Insulation (Steam or Hot Water)	Up to \$3.00 per linear foot
Tank Insulation	Up to \$4.00 per square foot
Storage Water Heater	\$2.00 per MBtuh
Direct Contact Water Heaters	\$2.00 per MBtuh
Tankless Hot Water Heaters*	Up to \$2.00 per MBtuh
Space Heating Boilers (Steam or Water)*	\$0.25 per MBtuh
Commercial Boilers*	\$0.50 per MBtuh
Process Boilers (Steam or Water)*	\$0.50 per MBtuh
Commercial Pool Heaters	\$2.00 per MBtuh
Residential Washers for Commercial Use (Not for Commercial Coin-Op Usage)	Up to \$75.00 per unit
Greenhouse Heat Curtains*	\$0.20 per square foot
Infrared Film for Greenhouses**	\$0.05 per square foot

\* Separate rebate caps apply to this measure. See Terms and Conditions for details. Terms and Conditions are included in the rebate application.

\*\* Rebate per square foot effective July 1, 2009.

## How Do I Get My Express Efficiency Rebates?

Learn more. Visit us online for complete details on how to apply, eligibility requirements and to download a rebate application. Complete as many qualifying projects as you can by December 31, 2009 and become eligible for multiple rebate checks.

These rebates are only the beginning. They make it possible to achieve additional savings through more efficient energy use which can help lower your monthly bill. Offering rebates, incentives and training to help businesses are just few examples of our ongoing commitment to provide exceptional customer service.

### More ways to lower your energy bill.

Try our free online Business Energy Challenger. Visit [www.socalgas.com/business/rebates/](http://www.socalgas.com/business/rebates/) and click on "Energy Challenger." It's quick and easy. Complete the assessment and you'll receive a personalized report online that identifies the equipment best suited for an energy-efficient upgrade. You'll also learn about the average upgrade cost, and the estimated annual savings you can expect.

The Express Efficiency rebate program offers rebates on more than twenty types of qualifying high-efficiency gas equipment.
