Requested Quantity of Increase (Dths/Day) ⁽¹⁾ :

Total Set-Aside Quantity, including Requested Increase Quantity (Dths/Day):

Reason for Increase Request ⁽²⁾ :

CONTACT INFORMATION

Name:

Address:

City:

State & Zip Code:

Phone:

Fax:

Email:

Footnotes:

⁽¹⁾ Enter the quantity over and above the set-aside quantity provided by SoCalGas to producer, not exceed the Maximum Daily Volume (MDV) as specified in the California Gas Producer Access Agreement.

⁽²⁾ Factors that may be considered in SoCalGas' review of your request include, but are not limited to, historical deliveries that may have been reduced by one-time events, additional production originating from new wells, newly completed zones, new stimulation techniques and information demonstrating that existing processing facilities are able to process the existing and requested incremental set-asides. Please attach all documents in support of your request.

**When complete, please email to your SoCalGas Account Manager or
RIshikawa@semprautilities.com or FAX to your Account Manager
If you have any questions please call Richard Ishikawa at (213) 244-2844.**
