E. AUTHORIZED INDIVIDUAL USERS

Authorized User shall allow only its specifically authorized employees and/or agents access to and use of EBB and all Software Programs. Authorized User shall identify each and every such individual to Utility in writing, through the use of the Exhibit A EBB Logon ID Request Form, (Form 6800-A), prior to their use of the EBB system.

Authorization is limited strictly to such designated individuals until such time as User requests otherwise. In the event such individual's authorization to use system is terminated for whatever reason, including but not limited to a change in employment and/or the necessity to change authorization to another person or persons, authorized User must provide Utility immediate notice thereof and must request any new authorizations required as a consequence. User shall be solely responsible for the actions of any individuals it designates in connection with the EBB system.

If User desires to change or add a type of EBB Service or to change the individuals authorized on its behalf to conduct electronic transactions, User shall fax to Utility a new Logon ID Request Form. Such authorized representative shall be the individual named in a Delegation of Authority Form (Exhibit B to Form 6800) or the sole proprietor, or an authorized officer or partner with authority to bind User. The changes or additions shall be effective as soon as reasonably possible after Utility receives the new Logon ID Request Form, and in any event, not later than the close of Utility's business day if the fax is received at least one hour prior to closing and shall be effective within the first hour of the next business day if received thereafter. Utility may, but is not required to, send written confirmation to User of Utility's receipt of the changes or additions. To revoke the authority of an individual to enter into electronic transactions on behalf of User, User may e-mail Utility with such revocation, which shall be effective upon User's receipt of an e-mail confirmation from Utility.

F. ELECTRONIC TRANSACTIONS

1. By using the EBB, User agrees to enter into and obtain the Services electronically and agrees to all terms and conditions of this Rule and other applicable Tariff Rules and Schedules and applicable contracts. User will be bound by all the applicable terms and conditions of Utility's Tariff Schedules and Rules as in effect from time to time, including the Electronic Bulletin Board Agreement and all Exhibits thereto, which are made available by Utility and selected by User for electronic transactions. User is responsible for any and all costs or expenses associated with its accessing and utilizing the EBB.
2. The Services to be transacted through the EBB and designation of the individuals authorized by User to perform those applications shall be as set forth in the Electronic Bulletin Board Agreement Exhibit A, EBB Logon ID Request Form (Form 6800-A).
