1 **C. SUPPLY PURCHASES IN RESPONSE TO TEMPORARY CONDITIONS**

2 Currently, SoCalGas' Gas Acquisition department can be called upon to purchase gas
3 supplies to be delivered at identified receipt points, other than Blythe, when requested by the
4 System Operator for certain routine maintenance or force majeure events. These purchases
5 would resolve a temporary need for additional supplies and are not an ongoing minimum flowing
6 supply requirement. Under the terms proposed in our current Application, this responsibility will
7 also shift to the System Operator.

8 This concludes my supplemental testimony.
