Advice No. 4014
(U 904 G)

Public Utilities Commission of the State of California

Subject: Establishment of the Fire Hazard Prevention Memorandum Account (FHPMA) in compliance with Decision (D.) 09-08-029

Southern California Gas Company (SoCalGas) hereby submits for filing revisions to its Preliminary Statement Part VI, Memorandum Accounts, applicable throughout its service territory, as shown on Attachment B.

Purpose

This complies with Ordering Paragraph 7 of D.09-08-029 directing each cost-of-service regulated utility to file an advice letter establishing a memorandum account to record its costs related to implementing the measures specified therein to avoid retroactive ratemaking.

Background

D.09-08-029, the phase 1 decision in R.08-11-005, implements statewide measures for electric transmission and distribution lines and related communication facilities to reduce fire hazards in California before the start of the 2009 fall fire season. It extends the applicability of General Order (GO) 95, Rules for Overhead Electric Line Construction, to non-electric utilities, including SoCalGas. It directed all entities subject to these measures to use all reasonable means to implement the measures before the 2009 fall fire season starts. It finds that each cost-of-service regulated utility is entitled to recover reasonable costs prudently incurred to comply with the measures therein adopted.

Requested Tariff Revision

Pursuant to D.09-08-029, SoCalGas is revising its Preliminary Statement Part VI to establish the FHPMA. This account will track the costs associated with fire hazard prevention. Costs will be tracked in the FHPMA until those costs are reviewed and authorized for recovery by the Commission in connection with Phase 2 of R.08-11-005.

This filing will not increase any rate or charge, cause the withdrawal of service, or conflict with any rate schedule or rule.

Protest

Anyone may protest this Advice Letter to the California Public Utilities Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. The protest must be made in writing and must be received within 20 days of the date of this Advice Letter. There is no restriction on who may file a protest. The address for mailing or delivering a protest to the Commission is:

CPUC Energy Division
Attention: Tariff Unit
505 Van Ness Avenue
San Francisco, CA 94102

Copies of the protest should also be sent via e-mail to the attention of both Maria Salinas (mas@cpuc.ca.gov) and Honesto Gatchalian (jnj@cpuc.ca.gov) of the Energy Division. A copy of the protest should also be sent via both e-mail and facsimile to the address shown below on the same date it is mailed or delivered to the Commission.

SoCalGas respectfully requests that this filing become effective on August 20, 2009, the effective date of D.09-08-029, subject to review by the Commission's Energy Division.
