RESOLUTION NO. _____

CUSTOMER TERMINATION OF CAT PROGRAM CONTRACT

To terminate your current Core Aggregation Service Agreement ("Agreement"), fill out this form (please type or print neatly), and return it to

The Gas Company

Nancy McVay, Special Projects Manager
 Southern California Gas Company, M.L. 26 EO,
 P.O. Box 3249
 Los Angeles, CA 90051-1249

The effective date of termination of your Agreement will depend on when Southern California Gas Company ("SoCalGas") receives this notice relative to your Aggregator's billing and gas flow cycle. In any event, your Agreement will not be effectively terminated until after your Aggregator's current contracted quantity of gas has flowed for the accounts you are requesting to be terminated. You may receive one or two further Core Aggregation Transportation ("CAT") Program bills or equivalent billing notifications from SoCalGas after SoCalGas receives this form.

ACCOUNT(S) TO BE TERMINATED:

To list further accounts, please attach to this form or type on the reverse side *in this format*. Use account number(s) and name(s) from your most recent SoCalGas statement(s).

Account Number	Account Name	With Current Aggregator Less Than 12 Mos? (Y/N)*

**NOTE: If an account has been with a CAT Program Aggregator for less than 12 months and the customer wishes to switch Aggregators, the current Aggregator must send SoCalGas written consent for the switch. If you are unsure how long an account has been with your current Aggregator or you have questions about this procedure, please call The Gas Company at 1-800-GAS-2000.*

The undersigned customer ("I" or "my") understands that this notice only terminates my Agreement with SoCalGas, and that I am responsible for notifying my Aggregator of this termination and for determining any contractual obligations I may have to my Aggregator. I further understand that I will remain liable for my share of outstanding charges owed by my Aggregator to SoCalGas. If I am switching Aggregators and there is time between the end of my current Agreement and my next Agreement, I understand that SoCalGas will continue to supply gas from its existing core gas portfolio at the prevailing core portfolio price. I am aware that if SoCalGas does not receive a new Core Aggregation Service Agreement from an Aggregator for the above account(s) within 90 days of receiving this form, I will be ineligible to participate in the CAT Program for one year after the date that my current Agreement effectively terminates. I also understand that SoCalGas must receive this termination form before such a new contract is submitted or I will be terminated from and ineligible to participate in the CAT Program for one year (an account cannot have contracts with two Aggregators at the same time).
