Location of Premises \_\_\_\_\_

City \_\_\_\_\_

For efficiency of operation, the Southern California Gas Company has moved its gas meter from its former location on this property to a point \_\_\_\_\_ feet, more or less, nearer the gas main serving this property. For the owner's convenience, the Company left in place the service pipe extending from the new meter location to the owner's house piping.

The property owner, in accordance with the terms and conditions of the Company's Rule 26 (see below) as filed with the California Public Utilities Commission, will maintain and keep in good condition, and be responsible for the operation of, that portion of service pipe converted to yard pipe, beyond or downstream of the relocated gas meter connection. The Southern California Gas Company will not be responsible, and assumes no responsibility, for the operation or maintenance of this converted service pipe.

Rule 26

CONSUMER RESPONSIBLE FOR EQUIPMENT FOR RECEIVING GAS

- A. The consumer shall, at his own risk and expense, furnish, install and keep in good and safe condition all regulators, gas mains, appliances, fixtures and apparatus, which may be required for receiving gas from the Company, and for applying and utilizing such gas, including all necessary protective appliances and suitable building therefor, and the Company shall not be responsible for any loss or damage occasioned or caused by the negligence, want of proper care, or wrongful act of the consumer or of any of his agents, employees or licensees on the part of consumer installing, maintaining, using, operating, or interfering with any such regulators, service pipes, gas mains, appliances, fixtures or apparatus.
- B. In those cases where the gas meter is so set as to require use by the Company of all or a portion of the house line and/or yard pipe belonging to some party other than the Company, then and in any such event such party shall be responsible, and the Company shall not be responsible, for the operation and maintenance of such house line and/or yard pipe so used by the Company and for any and all injuries and damages resulting from the escape of gas therefrom.
