

TERRITORIAL BOUNDARY LINES BETWEEN  
 SOUTHERN CALIFORNIA GAS COMPANY AND  
 LONG BEACH ENERGY

Sheet 1

GENERAL STATEMENT

The following descriptions delineate the boundary between contiguous service areas of Southern California Gas Company and Long Beach Energy in Los Angeles County. These descriptions shall apply wherever reference is made in the Description of Rate Areas to the service or operating line or territorial boundary of the Company.

The description of the boundary separating the operating territories of Southern California Gas Company and Long Beach Energy is divided, for reference purposes, into four sections: "A" through "D". The general area included in each section is indicated on the Boundary Index Map.

Where the territorial boundary is located on a street property line, both sides of the street will be served either by the Company or Long Beach Energy in whose territory the street lies. Where the boundary line is located on the street centerline, the Company or the Long Beach Energy will serve its side of the boundary.

BOUNDARY DESCRIPTION

Section "A"

The boundary described in this section extends generally northerly from the Pacific Ocean at the western boundary of Orange County to the intersection of the centerline of Coyote Creek and the easterly prolongation of the south P/L of Tract No. 24709. The area east of this line is served by Southern California Gas Company and the area west of this line is served by Long Beach Energy.

Beginning at the point of intersection of the eastern terminus of the Long Beach breakwater in the Long Beach Outer Harbor and the western boundary line of Orange County; thence northeasterly along the boundary line of Orange County to a point in said boundary line common with the boundary line of the City of Long Beach (as of January 1, 1960); thence northwesterly, northerly, easterly and northerly along the various courses of said boundary line of the City of Long Beach to its intersection with the easterly prolongation of the south P/L of Anaheim Road; thence westerly along said prolongation to the C/L of San Gabriel River (Los Angeles County Flood Control Channel); thence northeasterly along said C/L to the C/L of Coyote Creek (Los Angeles County Flood Control Channel); thence continuing northeasterly along the C/L of Coyote Creek to its intersection with the easterly prolongation of the south P/L of Tract No. 24709, dated August 4, 1960, as recorded in Book 660, page 2 of the Los Angeles County Map Records.

BOUNDARY DESCRIPTION (Continued)

Section "B"

The boundary described in this section extends generally westerly and northerly from the intersection of the centerline of Coyote Creek and the easterly prolongation of the south P/L of Tract No. 24709 to the intersection of the centerline of Downey Avenue and the centerline of 70<sup>th</sup> Street. Generally, the area north and east of this line is served by Southern California Gas Company and the area south and west of this line is served by Long Beach Energy.

Beginning at the intersection of the C/L of Coyote Creek and the easterly prolongation of the south P/L of Tract No. 24709, dated August 4, 1960, as recorded in Book 660, page 2, of the Los Angeles County Map Records; thence westerly along the said prolongation and continuing westerly along the south P/L of Tract 24709, located south of Timor Street, to the C/L of Norwalk Boulevard; thence northerly along the C/L of Norwalk Boulevard to the northern boundary of the City of Long Beach as set forth in the City of Long Beach Annexation Increment No. 155, dated 7-5-60, which is also the boundary between Rancho Los Alamitos and Rancho Los Coyotes; thence northwesterly along said boundary, which is northeasterly of and parallel to Ring Street, to the C/L of the San Gabriel River Freeway; thence northwesterly along the C/L of the San Gabriel River Freeway to the C/L of Carson Street; thence westerly along the C/L of Carson Street to the C/L of Bellflower Boulevard.

Thence northerly along the C/L of Bellflower Boulevard to the C/L of Del Amo Boulevard; thence westerly along the C/L of Del Amo Boulevard to the CL of Lakewood Boulevard; thence southerly along the C/L of Lakewood Boulevard to the C/L of Carson Street; thence westerly along the C/L of Carson Street to the common boundary between the City of Lakewood and the City of Long Bach, as it existed April 16, 1954, which is approximately 652.09 ± feet west of the westerly P/L of Lakewood Drive.

Thence southwestwesterly and westerly along said common boundary between the Cities of Lakewood and Long Beach to the easterly P/L of the Union Pacific Railroad right of way; thence southerly along said common City boundary to a point 370 feet north of the north P/L of Wardlow Road; thence westerly along the boundary of the City of Lakewood, as of April 16, 1954, to the boundary of the City of Long Beach at the easterly P/L of Cherry Avenue.

BOUNDARY DESCRIPTION (Continued)

Section "C"

The boundary described in Section "C" extends generally westerly and southerly from the intersection of the centerline of Downey Avenue and the centerline of 70<sup>th</sup> Street to the intersection of the easterly prolongation of Lomita Boulevard and the western city limits of Long Beach. The area generally north and west of this line is served by Southern California Gas Company, and the area south and east of this line is served by Long Beach Energy.

Beginning at the intersection of the C/L of Downey Avenue and the C/L of 70<sup>th</sup> Street; thence westerly along the C/L of 70<sup>th</sup> Street and its westerly prolongation to the easterly P/L of Orange Avenue; thence northerly along the boundary of the City of Long Beach, as established September 4, 1931, by Increment No. 19, along the easterly P/L of Orange Avenue to the boundary of the City of Long Beach in 72<sup>nd</sup> Street.

Thence westerly along the boundary of the City of Long Beach, as established September 4, 1931, and December 10, 1930, by Increments Nos. 19 and 16, respectively, along 72<sup>nd</sup> Street to the east bank of the Los Angeles River; thence southerly along said City boundary, as established December 10, 1930, to its intersection with the easterly prolongation of the C/L of Greenleaf Drive; thence westerly along the boundary of the City of Long Beach, as of January 5, 1924, along the easterly prolongation of the C/L of Greenleaf Drive and the C/L of Greenleaf Drive to a point approximately 210 feet west of the westerly property line of Delta Avenue.

Thence southerly along the boundary of the City of Long Beach, as of January 5, 1924, and as established June 18, 1929, September 15, 1951, May 12, 1954, August 23, 1954 and June 25, 1952 by Increments Nos. 14, 91, 118 and 138 and Compton Annexation No. 89, respectively, throughout its various courses to a point approximately at the intersection of the easterly prolongation of Carson Street and the east bank of the Los Angeles River Flood Control Channel; thence southwesterly along a line across the Los Angeles River Flood Control Channel to its junction with the boundary of the City of Long Beach, as established October 9, 1944, by Increment No. 48, at the west bank of said Flood Control Channel; thence southwesterly along said City boundary to the C/L of 223<sup>rd</sup> Street at a point approximately 130 feet ± westerly from the southwesterly prolongation of the northwesterly P/L of Delta Avenue.

LONG BEACH ENERGY

Sheet 5

(Continued)

BOUNDARY DESCRIPTION (Continued)

Section "C" (Continued)

Thence westerly along the boundary of the City of Long Beach, as established December 10, 1930, and May 5, 1939, by Increments Nos. 17 and 25, respectively, along 223<sup>rd</sup> Street to its intersection with the east boundary of the City of Los Angeles just west of Salmon Avenue; thence southerly along the boundary of the City of Long Beach to the easterly prolongation of the northerly P/L of Lomita Boulevard.

Section "D"

The boundary described in this section extends, generally, from the intersection of the Long Beach City Boundary and the easterly prolongation of Lomita Boulevard southerly along the City of Long Beach boundary to the Pacific Ocean at the common City limits between the Cities of Los Angeles and Long Beach. Generally, the area westerly of the boundary line described below is served by Southern California Gas Company and the area easterly of the same line is served by Long Beach Energy.

Beginning at the point of intersection with the easterly prolongation of the north P/L of Lomita Boulevard and the Long Beach City boundary line; thence southwesterly along said boundary line to an angle point in same located northwest of Hobson Avenue and southwest of Pacific Coast Highway; thence southeasterly along said City boundary to an angle point in same at the south side of Anaheim Street; thence southwesterly along said City boundary to an angle point in same at the southerly side of Cerritos Channel; thence southeasterly along said City boundary to the northeast P/L of 21<sup>st</sup> Avenue; thence southwesterly along said City boundary and the southeast P/L of Ocean Avenue to the northeast P/L of Division Place; thence southeasterly along the northeast P/L of Division Place and said City boundary to its intersection with the middle breakwater in the Los Angeles Harbor.
