1. To be eligible for a rebate, I understand that: (a) I must be a residential customer on a residential rate with an active meter serviced by SoCalGas for the installation address and, (b) the product(s) I have installed must qualify as described on the specification sheet incorporated herein by this reference and be designed to reduce my consumption of the energy distributed to me by SoCalGas at the installation address. I understand I must complete a separate application for each installation address for which I am requesting a rebate. All uses herein of the words "install", "installation" or similar phrases shall mean complete installation such that the subject products are fully functional.
2. I understand the rebate offer is limited to residential customers for residential use. The energy-efficient product(s) must be installed in a residential dwelling within SoCalGas' service area. The dwelling unit must be fully constructed and occupied.
3. I understand the program term is December 1, 2016 through December 31, 2017, and may end sooner if allocated funds are depleted. Product purchases and installations made prior to December 1, 2016 or after December 31, 2017 do not qualify for a rebate. Resale products, products leased, rebuilt, rented, received from warranty or insurance claims, won as a prize, or new parts installed in existing products do not qualify. Funds are limited. ALL applications are processed on a first-come, first-served basis, upon receipt, until funds are depleted. INCOMPLETE and INCORRECT APPLICATIONS CANNOT BE PROCESSED. Resubmitted applications are processed on a first-come, first-served basis upon the new receipt date. The program may be modified or terminated without prior notice. I understand that a rebate will not be paid if I refuse to participate in any required verification. I understand that SoCalGas may contact the qualifying product vendor and/or installer, if needed, to verify purchase and/or installation and may provide my name and/or address to complete this verification.
