

OMNIBUS Changes effective 4/1/09

Gas Acquisition (Utility Gas Procurement Dept) will be following the same balancing rules as other noncore customers.

Responsibility for minimum flow requirements will be transferred to the Utility System Operator.

Imbalance Trading

Extended Trading Period

- Effective April 2009, the Imbalance Trading period will now start on the 25th and end on the last day each month, except for February which starts on February 23.

Imbalance Trading (continued)

- New functionality to allow sellers to post open offers
- Seller will be able to select from list of bids submitted.
- Will be available in late 2009
