SOCALGAS RESPONSE
DATE RECEIVED: FEBRUARY 4, 2011
DATE RESPONDED: FEBRUARY 18, 2011**

Subject: Legal

Please provide the following:

1. The 2010 Reorganization of Sempra Energy transferred a number of Corporate Center Legal staff to SCG. Please provide a breakdown of the staff transferred from Corporate Center to SCG. This breakdown should include the number of (1) attorneys, (2) paralegals and (3) support staff.

SoCalGas Response

SoCalGas' in-house Law Department is made up of 19 attorneys (excluding the SVP/GC), 3 legal research attorneys, 3 paralegals, and 5 administrative associates. All of these positions were transferred from the Corporate Center law department to SoCalGas in the 2010 Reorganization. See Exhibit SCG-23, Prepared Direct Testimony of Cheryl A. Shepherd, beginning at page CAS-13. See also workpapers at SCG-23-WP beginning at page 67 (the workpapers will need to be revised to match the testimony and correct for a missing FTE. The 2012 FTE count should be 33 instead of 32. The 2011 FTE count should be 30 instead of 29. Similarly, the prorated 2010 FTE count should be 22.4 instead of 21.7).

2. Please provide a detailed description of the “unique” legal practice areas of SCG’s Law Department.

SoCalGas Response

As described in Exhibit SCG-23, the law department at SoCalGas is organized into the following practice areas: (1) Regulatory, (2) Litigation, (3) Commercial and Environmental. A description of the different practice areas is contained in testimony (Exhibit SCG-23) at pages CAS-17 -20.
