

**DRA DATA REQUEST  
DRA-SCG-115-DAO  
SOCALGAS 2012 GRC – A.10-12-006  
SOCALGAS RESPONSE  
DATE RECEIVED: JUNE 29, 2011  
DATE RESPONDED: JULY 19, 2011**

**Exhibit Reference:** SCG-4

**Subject:** Follow up to SCG's response to DRA-56, Q. 2.

**Please provide the following:**

1. In SCG's response to DRA-SCG-56, Q. 2, SCG notes, "The 2009 recorded expenses shown above are not included in the historical expenses represented in the Rate Case filing because they were recorded in the Fire Hazard Prevention Memorandum Account." Is SCG seeking recovery of costs tracked in the Fire Hazard Prevention Memorandum Account elsewhere, in addition to Application 10-12-006? If so, please identify the proceeding number.

**SoCalGas Response:**

The recovery of the Fire Hazard Prevention Memorandum Account balance associated with historical costs will be addressed in Phase II of Rulemaking 08-11-005.

2. Please provide the 2010 recorded amount spent specifically on CPUC General Order 95: Overhead Electrical Line Construction compliance work activities, as described on pages JDM-15 and JDM-16, of Exhibit SCG-4.

**SoCalGas Response:**

The 2010 recorded costs of inspection, maintenance, and repairs of the overhead electrical systems at SoCalGas' underground storage fields were \$678,128. (Nominal dollars)
