**QUESTION 1:**

In Advice No. 5106, page 2, under the header title "**The MHP Pilot Program is Successful and should be Continued**", it states "SoCalGas has successfully completed the conversion of 32 MHPs, with another 69 MHPs in construction." In the Mobile home Park Utility Upgrade Program February 1, 2017 Report, page 2, it states "An additional 59 MHPs are in various stages of construction."

a. How many MHPs are under construction, as of February 1, 2017?

**RESPONSE 1:**

1a. The Annual Report was generated in January 2017 and included MHPs in various stages of construction through December 2016. As of February 1, 2017, a total of 69 MHPs - which is exclusive of the completed 32 MHPs - had started construction.
