**Exhibit Reference:** SCG-33, pages SL-22

**SCG Witness:** Stacey Lee

**Subject:** Claims

**Please provide the following:**

1. Following up on the **CONF ORA-SCG-071-FH2 Attachment**, please explain why SoCalGas only allows insurance reimbursement for claims of \$4 million and over. Provide workpaper references and documents to justify the reason(s).

**SDG&E Response 01:**

SCG's general excess liability insurance policy has a self-insured retention of \$4 million. This means that our general excess insurance program requires SCG to pay \$4 million for each claim before insurance would apply. For more information on SCG's insurance program, please see the testimony of Neil K. Cayabyab (SCG-29/SDG&E-27).
