Schedule No. G-MSUR TRANSPORTED GAS MUNICIPAL SURCHARGE

APPLICABILITY

Applicable pursuant to Chapter 2.5 of Division 3 (sections 6350, et al.) of the Public Utilities Code as enacted by Senate Bill 278/Beverly (municipal Surcharge Law), to all transportation volumes of gas on the Utility system to customers outside the City of Los Angeles, except for those listed under Special Condition No. 1, and to transportation volumes of gas delivered to customers within the City of Los Angeles pursuant to Section 6.1 of Los Angeles City Ordinance No. 21-1267.

TERRITORY

Applicable throughout the service territory.

<u>RATES</u>

Surcharge Percentage:

Outside the City of Los Angeles	1.3720%
Within the Cities of San Buenaventura (Ventura), Huntington Beach,	
Visalia, Bakersfield, and Long Beach	2.3720%*
Within the City of Los Angeles (CARE customers)	1.3720%
Within the City of Los Angeles (non-CARE customers)	.4.0000%**

* Includes 1% franchise fee surcharge for City of Ventura customers pursuant to D.07-10-024, for City of Huntington Beach customers pursuant to Resolution G-3452, City of Visalia pursuant to Advice No. 4418, City of Bakersfield pursuant to Advice No. 4569, and City of Long Beach pursuant to Advice No. 5392.

** Includes a surcharge that is equal to the difference between 4% and the statutory rate applicable to customers outside the City of Los Angeles, pursuant to Advice No. 5938. The amount of the surcharge will change in the event that the underlying statutory rate is changed, such that the total municipal surcharge rate remains unchanged at 4%.

The municipal surcharge is calculated as the product of the following:

Applicable surcharge percentage, Adjusted Core Procurement Charge, G-CPA, set forth in Schedule No. G-CP, Gross-to-net factor of 98.6280% (to remove franchise fees included in rate G-CPA), and Therms of gas transported during the billing period.
