4. **Gas AC Agreement:** As a condition precedent to service under this schedule, an executed Gas AC Agreement shall be required. As part of the Agreement, the customer certifies qualification under the terms and conditions of this Schedule. T
5. **Gas AC Credit:** For billing periods for the months of May through October, the transmission charge is the GT-R transmission charge for all usage less than or equal to the base volume, the average non-temperature sensitive residential usage. Base volumes are equal to 0.917 therms per day for single-family dwellings and 0.722 therms per day for multi-family dwellings. For usage in the current year above base volume in the billing period, the customer will receive a Gas AC credit. All non-baseline gas usage above base year volumes in billing periods from May to October will be discounted by 20 cents per therm. The discount will be shown on the customer's bill as a credit. L

11. **Volumetric Price Floor:** In no case shall the non-baseline rate less the Gas AC Discount be less than the volumetric price floor as the Commission adopts it from time to time in rate making proceedings. The volumetric price floor equals the adopted long-run marginal cost excluding the customer related marginal cost. If the Commission adopts a non-baseline rate such that the non-baseline rate less the Gas AC Discount were to be less than the volumetric price floor, the Gas AC Discount will be reduced. T
