

For a limited time, qualifying energy-efficient central water heating systems will receive an extra 50% rebate for installations made between September 1, 2022, through December 31st, 2022. Stated rebates below include extra 50%.

2022 MULTIFAMILY REBATE APPLICATION

Cash rebates are available for the installation of qualified energy efficiency products in existing multifamily apartment dwelling units and the common areas of apartment complexes, condominiums, and mobile home parks. Residential multifamily complexes are existing construction with two or more dwelling units on residential or multifamily rates (GR, GM)¹.

HOW TO APPLY

1. Read the Terms and Conditions (pages 3-4).
2. Check [socalgas.com/multifamily](https://www.socalgas.com/multifamily) to make sure funding is available. Program may be subject to change or termination without prior notice at any time. **Qualified products must be new, purchased and installed on or after January 1, 2022 and no later than December 31, 2022.**
3. Before purchasing your energy-efficient product, be sure that the product meets the rebate requirements as listed in the Product Specification and Rebate sheets (pages 7-8).
4. Once product(s) are installed according to program terms, conditions and required specifications, submit a complete application and adhere to each of the following instructions:
 - ☐ Fully complete the application (pages 3-9). Incomplete applications will not be processed or reviewed.
 - ☐ Please sign and date the Rebate Terms and Conditions (pages 3-4) and the Payment Release Authorization (page 6). Original or digital signatures are acceptable. Complete rebate payee information fully to help ensure accurate payment of rebate.
 - ☐ Provide a copy of a recent SoCalGas® bill for the natural gas account serving the energy-efficient product. Address and account number must match the name, site address and account number on the application.
 - ☐ Provide a copy of **PAID IN FULL** receipt(s), contractor invoice(s), or home improvement contract(s). **NOTE:** Cash on delivery (COD) and estimates are not acceptable proof of payment.

¹. To qualify for a SoCalGas Multifamily Energy Efficiency rebate, customers must be on a Residential (GR) or Multifamily (GM) rate. For more info on rates, visit: www.socalgas.com/regulatory/tariffs/tariffs-rates.shtml

- ☐ Receipts/invoices must show a zero balance and list:
 - Vendor Name and Info
 - Purchase Date
 - Product Manufacturer, Model Number, Serial Number(s)
 - ☐ Indicate product installed on Product Specification Form (pages 7-8) and indicate quantity installed to calculate expected rebate.
 - ☐ Complete Product Location Form (page 9) to show where the product was installed at the property, date installed, date purchased and the number of units that will be served by the product.
 - ☐ Email completed application to:
multifamilyrebates@socalgas.com
 Or mail it to:
SoCalGas, 2022 Multifamily Rebates Program
M.L. GT 20B3
P.O. Box 513249
Los Angeles, CA 90099-4722
 For assistance with your application, call **1-800-508-2348** or email multifamilyrebates@socalgas.com
 - 5. The Program ends on December 31, 2022, or earlier, if funds are no longer available. All applications must be postmarked within 45 calendar days after the 2022 program termination date to be considered for a rebate. The date a measure is removed or suspended from the 2022 program will represent the termination date for which postmark eligibility will be based. Call **1-800-508-2348** to check availability of funds.
 - 6. SoCalGas may conduct an inspection to verify the energy efficiency product(s) eligibility and installation prior to rebate payment.
 - 7. A rebate check for qualified product(s) is generally mailed 90 days after SoCalGas approves a correct and completed application including all required documentation unless the application is selected for inspection, which may add additional time.
 - 8. You may not receive energy efficiency rebates for the same product or for the replacement of a product from more than one California Investor-Owned Utility (IOU) participating in this program or other third party incentives, funded by the California Public Utilities Commission (CPUC).
 - 9. State law requires that a licensed contractor providing home improvement services greater than \$500 provide the customer with a Home Improvement Contract (HIC). We recommend confirming your contractor's license status at the Contractors State License Board (CSLB) by calling 1-800-321-(CSLB) (2752) or accessing their website at cslb.ca.gov.
- Click on license status-check icon. Type in six digit license number for verification.
- Confirm active status of license under license status. Confirm that contractor holds the appropriate license under application classification heading.

The Multifamily Energy Efficiency Program is funded by California utility customers and administered by Southern California Gas Company (SoCalGas) under the auspices of the California Public Utilities Commission. Program funds, including any funds utilized for rebates or incentives, will be allocated on a first-come, first-served basis until such funds are no longer available. This program may be modified or terminated without prior notice. The selection, purchase, and ownership of goods and/or services are the sole responsibility of customer. **SoCalGas makes no warranty, whether express or implied, including the warranty of merchantability or fitness for a particular purpose, of goods or services selected by customer. SoCalGas does not endorse, qualify or guarantee the work of any third party contractor utilized in connection with this program.** Customers who choose to participate in this program are not obligated to purchase any additional services offered by any such contractor. Eligibility requirements apply; see the program conditions for details.

TERMS AND CONDITIONS

Original or digital signature required.

1. I understand that (a) applications are accepted on a first-come, first-served basis while funding is available, or until discontinued by the California Public Utilities Commission (CPUC), and must be postmarked within 45 days after the 2022 program termination date to be considered eligible for a rebate, and (b) qualified products must be purchased and installed on or after January 1, 2022 and no later than December 31, 2022. I understand that these purchase and install periods will end earlier if funds are no longer available, and this program shall at all times be subject to change or termination without prior notice. INCOMPLETE and INCORRECT APPLICATIONS WILL NOT BE PROCESSED. Resubmitted applications are processed on a first-come, first-served basis, based upon the new receipt date.
2. I represent that I am either the property owner, property manager or an authorized agent for the property owner, of the residential multifamily dwelling described in this application, which is occupied by SoCalGas customers and has a valid meter(s) served by SoCalGas. I understand that I am only eligible to receive rebates for products that correspond directly to the type of service (i.e., natural gas distribution) for which my residential multifamily dwelling currently receives service from SoCalGas. Residential multifamily dwellings are defined as residential apartments, homeowners associations and/or mobile home parks with two or more units. The dwelling units must be fully constructed and occupied. New construction does not qualify.
3. I certify that the qualified energy-efficiency products were purchased and installed on or after January 1, 2022 and no later than December 31, 2022. These products are for use in my residential multifamily dwelling or common area.
4. I have submitted the required documents establishing proof-of-purchase for the products applied for in this application which are paid-in-full itemized sales receipt(s), paid contractor invoice or paid Home Improvement Contract (HIC), with manufacturer name(s), model number(s), serial number(s), square footage and any other required documentation.
5. I certify that all energy-efficiency products were purchased new, and I understand that resale products and products leased, rebuilt, rented and received from insurance claims or won as a prize, or new parts installed in existing products do not qualify.
6. I understand rebates will only be paid for products that meet the program specifications described on the Rebate Products Forms and related Specifications sheets.
7. Rebates are generally considered subsidies for tax purposes and could be taxable income. I understand that I am urged to consult your tax advisor concerning the taxability of these rebates. I understand that rebates greater than \$600 will be reported to the IRS on Form 1099 unless I have checked corporation or exempt tax status (page 3) of this application form. SoCalGas is not responsible for any taxes that may be imposed on my property as a result of your receipt of this rebate.
8. I understand that the rebate amount cannot exceed the total of the purchase price and installation cost.
9. In the event that I choose to participate in the On-Bill Financing Program offered by SoCalGas to obtain financing for the products listed in this rebate form, I understand that the terms and conditions of participation in the On-Bill Financing Program will control (including, without limitation, the calculation of the rebate amount for the products listed in this rebate form) any conflict between the terms and conditions applicable to participation in this program and the On-Bill Financing Program.
10. I understand the qualified products may be self-installed, installed by a contractor, manufacturer or an appliance dealer.
11. **I understand and agree that the choice of the energy-efficiency products, selection of contractor, manufacturer, or dealer, purchase of materials, work performed and the payment thereof are my sole responsibility. I understand that SoCalGas makes no representations regarding any products or services, contractors, manufacturers, dealers, materials or workmanship, in each case, with respect to this program. I also understand that SoCalGas makes no warranty, whether expressed or implied, including warranty of merchantability or fitness for any particular purpose, use or application of the products, services or measures. I hereby waive any and all claims against SoCalGas and its affiliates, and its and their respective directors, officers, employees and authorized agents (collectively, "SoCalGas Parties," and each, individually, a "SoCalGas Party") and will, to the fullest extent permitted under applicable law, indemnify and hold harmless each SoCalGas Party for any claims arising out of or relating to the installation and/or use of the energy efficiency product(s) referred to in this application or otherwise related to this program. Without limiting the generality of the foregoing, to the maximum extent permitted under applicable law, none of the SoCalGas Parties shall be liable hereunder for any type of damages, whether direct, indirect, incidental, consequential, exemplary reliance, punitive or special damages, including damages for loss of use, regardless of the form of action, whether in contract, indemnity, warranty, strict liability or tort, including negligence of any kind. I agree that, to the maximum extent permitted under applicable law, none of the SoCalGas Parties shall have any liability whatsoever concerning the quality, safety or installation of the energy efficiency products, including their fitness, workmanship or any other matter.**
12. I am responsible for meeting all program requirements and complying with my state/county/city governments, the property owner and/or homeowners' association requirements (if any) in my area regarding local conditions, restrictions, codes, ordinances, rules and regulations pertaining to all installations. I further understand that it is my sole responsibility to ensure all rebated products are installed as per all manufacturers' specifications.
13. I agree to allow SoCalGas' representative and/or CPUC representative reasonable access to verify the installed products. I agree to this inspection to be eligible to participate in the program and receive a rebate for the qualified products. I understand this inspection is for the purpose of determining that the installed products meet all program(s) requirements.
14. I understand SoCalGas is not responsible for any items lost or destroyed in transit.
15. I understand that rebate applications that are submitted to SoCalGas may be randomly selected for inspection to ensure program and quality control compliance, and that a virtual video inspection may be requested to verify the installation of the energy-efficiency product prior to rebate payment.
16. I understand that I cannot receive energy efficiency incentive for the same product or the replacement of a product from more than one California Investor-Owned Utility (IOU) participating in this program or other third party programs offering rebates, financing and other incentives, funded by the California Public Utilities Commission (CPUC). I understand that I cannot receive an incentive for any product for which I have received an incentive from SoCalGas in the prior five years from the application date.

PAYMENT RELEASE AUTHORIZATION (signature required)

PROPERTY OWNER OR PROPERTY MANAGER, AS AUTHORIZED AGENT FOR PROPERTY OWNER: Your authorization is required if the rebate check is to be made payable to another individual or entity. By signing below, I am authorizing this payment of my rebate to the third party ("Payee") named above and I understand that I will not be receiving a rebate check from SoCalGas. I also understand that my release of the payment to the Payee does not exempt me from the rebate requirements outlined in this application. If Payee is a business, federal tax ID or Social Security Number must be provided. Southern California Gas Company will report this payment made to the third party on IRS form 1099 as "Other Income" to you (the customer receiving the benefit of the rebate payment) unless the payment is less than \$600, or you have identified yourself as a corporation or exempt. You are urged to consult your tax advisor concerning the tax requirements of rebates. Southern California Gas Company is not responsible for any taxes that may be imposed on you as a result of this rebate.

DEFINITIONS

Annual Fuel Utilization Efficiency (AFUE): The ratio of annual output energy to annual input energy, which includes any non-heating season pilot input loss and, for natural gas-or oil-fired furnaces or boilers, does not include electric energy.

Fireplace Efficiency (FE): The ratio of energy input into the fireplace that is converted to useful heat.

Thermal Efficiency: One hundred times useful energy output divided by input energy.

Uniform Energy Factor (UEF): New energy efficiency rating.

CHECK YOUR EQUIPMENT'S EFFICIENCY REQUIREMENTS

To determine that your new equipment meets the energy efficiency requirements of the multifamily rebate program. Please find the manufacturer and model number of the your new energy efficient equipment and input that information into the follow website(s) to confirm the efficiency levels meet the rebate requirements.

Funding is limited. Please call 1-800-508-2348 or visit socalgas.com/multifamily to make sure rebate applications are still being accepted. Applications are accepted on a first-come, first-served basis. Products must be purchased and installed after January 1, 2022 and before December 31, 2022, however, please be aware these purchase and install periods will end earlier if funds are no longer available. This program shall at all times be subject to change or termination without prior notice. This program is funded by California utility customers and administered by Southern California Gas Company under the auspices of the California Public Utilities Commission.

The ENERGY STAR® label is your assurance of energy efficiency performance that exceeds federal standards. ENERGY STAR-qualified products use less energy than standard equipment, they cost less to operate and create less pollution. Many manufacturers offer ENERGY STAR-qualified products. For product retailer listings, visit energystar.gov. ENERGY STAR and the ENERGY STAR mark are registered trademarks owned by the U.S. Environmental Protection Agency.

Additional rebates from other utilities: Your local electric and water utilities may also offer energy efficiency rebates. In some cases, they may be combined with rebates from SoCalGas for even greater savings.
