ANGELES LINK PHASE 2 A.24-12-011**

**DATA REQUEST UCAN-SCG-DR02**

**Date Requested: June 20, 2025, Submitted: July 7, 2025**

---

Note: The Phase 1 demand study states that SoCalGas interviewed and received input from multiple organizations and individuals. Specifically, the Angeles Link Phase 1 Demand Study (Dec 2024) makes the following statements:

- “We gratefully acknowledge the peer review and guidance provided by [various entities], including but not limited to [the listed entities].”
- “We gratefully acknowledge the organizations who participated in this study as interviewees, including but not limited to [the listed entities].”

**QUESTION 2-1:** Provide all documentation of the “peer review and guidance” that SoCalGas received related to the demand study including but not limited to transcripts, recordings, files, calculations, SoCalGas notes, and all other SoCalGas documentation of the communications.

**RESPONSE 2-1:**

SoCalGas objects to this request on the grounds it is overly broad and unduly burdensome, particularly to the extent it seeks “all documentation” “related to” the Demand Study, “files” and “all other SoCalGas documentation of the communications.” SoCalGas also objects to this request on the grounds it is vague and ambiguous, particularly with respect to use of the terms “files” and “SoCalGas notes.” Subject to and without waiving the foregoing objections, SoCalGas responds as follows.

Please refer to the attached.
