

**Revocation of Automatic Assignment of
Noncore Transportation Customer's
Backbone Transportation Service
Open Season Step 2 Bidding Rights**

This Revocation of Automatic Assignment of Noncore Transportation Customer's Backbone Transportation Service Open Season Step 2 Bidding Rights ("Revocation Form") pertains to the _____ (year) Open Season under Southern California Gas Company's ("SoCalGas") Schedule No. G-BTS for the following:

Noncore Transportation Customer (Company Name)

Contracted Marketer (Company Name)

I, authorized official of the noncore transportation customer, on behalf of the noncore transportation customer, hereby revoke the automatic assignment of the noncore transportation customer's Backbone Transportation Service Open Season Step 2 Bidding Rights ("Bidding Rights") as provided for in OPEN SEASON: Preferential Bidding – Step 2, section 2, of SoCalGas' Schedule No. G-BTS.

By revoking the automatic assignment of the noncore transportation customer's Bidding Rights, I understand that the noncore transportation customer is acquiring these Bidding Rights, which are valid only in the Open Season Step 2 rounds of bidding for the applicable Open Season.

Any Backbone Transportation Service Rights ("BTS Rights") acquired in the Open Season Step 2 using the noncore transportation customer's Bidding Rights will belong solely to, and be under the control of, the noncore transportation customer.

This revocation does not create an obligation for the noncore transportation customer to exercise the BTS Rights. However, it is the intent of the noncore transportation customer to use the BTS Rights acquired through the Open Season Step 2.

I understand that the noncore transportation customer must meet all the terms and conditions for acquiring BTS Rights including contractual and credit requirements to obtain BTS Rights through the Open Season Step 2.

This revocation form must be received by the noncore transportation customer's Account Executive at least sixty (60) days prior to the start of Open Season Step 2.
