# SOUTHERN CALIFORNIA GAS COMPANY
## SPECIAL MEETING OF SHAREHOLDERS
## RULES OF PROCEDURE

Thank you for your interest in attending the Southern California Gas Company's ("SoCalGas") August 6, 2026 Special Meeting of Shareholders (the "Special Meeting"). Instructions on how to attend and participate in the Special Meeting, along with all of the proxy materials for the Special Meeting, are posted at www.socalgas.com/about-us/special-shareholder-meeting and at www.proxyvote.com. Compliance with these Rules of Procedure will help ensure an orderly meeting.

1. Only registered holders of shares of our common stock, 6% Preferred Stock or 6% Preferred Stock, Series A, at the close of business on June 12, 2026 (the record date for the Special Meeting), or persons holding a valid proxy from any such registered holder, may attend and vote at the Special Meeting.

2. Only properly presented business items, as set forth in the SoCalGas Notice of Special Meeting of Shareholders and Proxy Statement dated June 15, 2026, will be addressed during the Special Meeting, and only shareholders or their representatives who have been recognized by the presiding officer of the Special Meeting (the "Chair") may speak at the meeting. After you are recognized, please state your name and whether you are a shareholder and if you are employed by SoCalGas or an affiliated company. If you are not a shareholder, please state the name of the shareholder(s) you represent by proxy.

   - Questions should be limited to the formal business of the Special Meeting, and we reserve the right to exclude questions regarding topics that are not pertinent to the business items of the meeting. We also reserve the right to exclude questions whose answers are contained in the SoCalGas proxy materials for the Special Meeting or have already been addressed at the meeting; that are repetitive of questions or statements made by another shareholder; that reflect personal grievances, contain derogatory references to individuals or are otherwise in bad taste; that are not a matter of interest to shareholders generally; or that relate to pending or threatened litigation or material nonpublic information of SoCalGas or its affiliated companies.

   - The Chair has sole discretion to recognize questions.

   - To address as many questions as practicable and to help ensure an orderly meeting, the Chair may, in his or her discretion, rotate the opportunity to ask questions among those seeking recognition. So that others attending the Special Meeting also may pose their questions, please be respectful of time and limit your questions to three minutes.

3. You do not need to vote during the Special Meeting if you have already voted by proxy. If you have not yet voted and wish to do so, or if you wish to change your vote, ballots are available so that you may vote in person at the meeting.

4. Video and/or audio recording of the Special Meeting is not permitted. Cameras, sound recording equipment, smart glasses or any other similar equipment are prohibited without the written permission of SoCalGas. All cell phones and other electronic devices must be turned off before entering the meeting room.

5. The Chair presides over the Special Meeting and has the authority in his or her sole discretion to regulate and make determinations regarding the conduct of the meeting, including the administration and interpretation of these Rules of Procedure.

**Violation of these rules will be considered cause for expulsion from the Special Meeting.**
