Hi Rick,

It will not. I negotiated that she will continue to represent us on that committee in her current role.

Thanks!

Hi Sue,

I received a notification from LinkedIn that Michell has a new position at SoCalGas. If this is correct, will it impact on her ability to serve on ASRAC?

Subject: ASRAC Committee Appointment

Good evening all:

I am thrilled to let you know that Michelle Sim received an invitation to accept an appointment to the ASRAC committee and officially accepted that appointment today. I cannot tell you how happy I am that we finally have a natural gas representative on this prestigious committee.

Thank you for your support and on behalf of both me and Michelle, we look forward to working with you over the next two years – the duration of her appointment.

Attached is a copy of the letter from Secretary Moniz, please excuse the bad scan job – I used my home printer. ☺
