- 2 **CONTRACT FORMATION.** By this Agreement, Company offers to contract with Contractor solely upon the terms and conditions stated herein. Any additional or different terms and conditions proposed by Contractor prior to the execution of this Agreement are not agreed to, and hereby expressly rejected. Any additional or different terms and conditions proposed by Contractor after the date of this Agreement shall be of no force and effect unless expressly agreed to in writing by Company. Contractor accepts and shall be bound by the terms and conditions of this Agreement upon the earlier of (a) the date on which it executes and returns the acknowledgment copy or (b) when it commences performance. No other form of acceptance shall be binding on Company.
- 3 **CHANGE ORDERS.** Company may at any time, in writing, direct or authorize Contractor to make changes or modifications to the work within the general scope of this Agreement. If such changes or modifications necessitate (a) an increase, or (b) decrease in the amount due, or (c) the nature or quantity of the goods and services or (d) in the time required for performance, or (e) otherwise, such matters shall be agreed upon in writing prior to proceeding with the change. No payment shall be required from Company for any change or modification which is not authorized in writing.

Contractor will be notified of the reason for the adjustment. When Contractor is considered to be a retailer, Contractor's invoices shall properly identify California sales or use tax as a sales or use tax, and separately state the amount of such tax and any freight, installation, technical service or other charge which is excludable from such tax.

Contractor further warrants and agrees that none of the material to be furnished by Contractor and its subcontractors, if any, in the performance of the Scope of Work shall contain asbestos or asbestos-containing materials, unless feasible alternatives or commercially reasonable replacements do not exist or are not available.
- 7 **INSPECTION.** All Services performed by Contractor shall be subject to the inspection and approval of Company at all times, but such right of inspection of the Services shall not relieve Contractor of responsibility for the proper performance of the Services, nor shall such inspection waive Company's right to reject the Services at a later date. At Company's request, Contractor shall execute an assignment or other document confirming such transfer upon the completion of any work made for hire.

12.1 Contractor hereby grants to Company an irrevocable, assignable, nonexclusive royalty-free unrestricted license to use, copy, distribute and make derivatives of any proprietary rights or specialized knowledge of Contractor that are part of any "Work Product" (defined below) furnished by Contractor to Company under this Agreement.

12.2 If requested by Company, Contractor agrees to take all actions necessary, at Company's sole cost and expense, to obtain, maintain or enforce patents, copyrights, trade secrets and other proprietary rights in connection with any invention, and Contractor agrees that its obligations under this Article shall survive termination or expiration of this Agreement.

Contractor shall deliver the Work Product, or any portion thereof, to the Company on request, together with any other requested materials and/or equipment furnished to Contractor by Company hereunder, and, in any event, upon termination or expiration of this Agreement.

**13 INDEMNITY.**

13.1 As between Company and Contractor, Contractor shall be responsible for and Contractor shall indemnify, defend and hold Company, and its current and future parent company, subsidiaries, affiliates and their respective directors, officers, shareholders, employees, agents, representatives, successors and assigns (collectively, including Company, the "Indemnitees") harmless from and against any and all claims, actions, suits, proceedings, losses, liabilities, penalties, fines, damages, costs or expenses including without limitation, reasonable attorneys fees (including fees and disbursements of in-house and outside counsel) of any kind whatsoever resulting from: (a) injuries to or death of any and all individuals, including, without limitation, members of the general public, or any employee, agent, independent contractor or consultant or affiliate of either Company or Contractor, arising out of or connected in any manner with the performance of Services by Contractor, its subcontractor or any other person performing on behalf of Contractor, (b) damage to, loss, and/or destruction of property, including, without limitation, to, property of Company or Contractor arising out of or connected in any manner with the performance of Services by Contractor, its subcontractor or any other person performing on behalf of Contractor, or (c) third party claims of any kind, whether based upon negligence, strict liability or otherwise, arising out of or connected in any manner to Contractor's or any of its subcontractor's acts or omissions in breach of this Agreement. If a conflict precludes Contractor from assuming the defense, then Contractor shall reimburse Company on a monthly basis for Company's defense costs through separate counsel of Company's choice. If Contractor assumes the defense of Company with acceptable counsel, Company, at its sole option and expense, may participate in the defense with counsel of Company's own choice without relieving Contractor of any of its obligations hereunder.
