Hey Rick,

Are you going to send me the overall support letter or will you send that separately? I think I will submit Michelle's nomination via email shortly.

Sue,

Since several AGA member representatives (excluding Mark) are submitting nominations for ASRAC, we thought it would be most appropriate to submit a letter to DOE supporting all of the AGA member nominations while stressing the importance of having a natural gas industry representative on ASRAC. I will send you a copy as soon as our General Counsel's Office finalizes it today. Therefore, you should proceed with submitting Michelle's nomination.

Please give me a call if you would like to discuss this in more detail.

Best,  
Rick

Sue,  
I am running the traps within AGA. I assume you are putting together the nomination package as described in the notice and we would submit a letter supporting the nomination if we get the green light.

Hi Rick,

Hope your weekend was relaxing!

Here is Michelle's resume. I'd sure love to get the support of the AGA. Let me know if you have any questions.

And of course we are somewhat short on time as the nomination packet is due on Wednesday.

Thanks!
