Information related to this list is available at [www.socalgas.com/rg](http://www.socalgas.com/rg). To inquire about being added to this list, please send an e-mail to [MarketDevelopment@SoCalGas.com](mailto:MarketDevelopment@SoCalGas.com).

The information contained herein is made available solely for informational purposes. Although SoCalGas has used reasonable efforts to assure the accuracy of the information at the time of its inclusion, no express or implied representation is made that it is free from error or suitable for any particular use or purpose. This list is not exhaustive, and there are numerous qualified vendors not listed herein that can provide products and services needed for the construction and operation of biogas conditioning and upgrading facilities. Vendors are listed alphabetically, and the order of listing implies no preference of any particular vendor by SoCalGas. SoCalGas does not recommend or endorse the products or services of any particular vendor listed herein, or represent that the particular products or services provided by such vendor are fit for any particular purpose or use. By publishing this list, SoCalGas is not acting in an advisory capacity and does not assume any responsibility for use of the list by you. You should discuss decisions related to this subject with your own advisors and experts.
