Mike,

You are correct -- SoCalGas did not submit a declaration identifying any confidential information as part of the May 24, 2023 **Draft PEA Submission** for the Ventura Compressor Modernization Project. We do not plan to submit a declaration for confidentiality.

Thank you for checking.

Hi [REDACTED],

The CPUC has received a PRA request for the Draft PEA pre-filing. I was unable to find any confidentiality declaration in the filing. Can you confirm that SoCalGas does not intend to keep the pre-filing confidential.

Thanks,
Mike
