

UPDATE ON INFRASTRUCTURE UPGRADES

Ventura Compressor Station

PROJECT NEWSLETTER FOR OUR VENTURA NEIGHBORS

This update is to provide an overview of current activities pertaining to the SoCalGas Ventura Compressor Station. These updates are also distributed on social media and are available on our project web page: socalgas.com/Ventura.

YOU'RE INVITED: PUBLIC FORUM MEETING

As shared in our last newsletter, SoCalGas will host a series of public forums, both in-person and virtual, to provide the community with the opportunity to learn about the Ventura Compressor Station Modernization Project feasibility study. The feasibility study evaluates potential alternatives to the planned project, including alternative site locations and equipment configurations. The forums will also provide an opportunity for the community to learn more about the facility, meet with members of the project team, and ask questions about the study.

SAVE THE DATE

In-Person Meetings

In-person meetings will be at the Crowne Plaza Ventura Beach, 450 East Harbor Blvd. Ventura, CA 93001. All local and state COVID-19 health protocols will be followed.

Thursday, March 31; 10 a.m. – 11 a.m. and 6 p.m. – 7 p.m.

Saturday, April 2; 10 a.m. – 11 a.m.

Virtual Meetings

Tuesday, March 29; 10 a.m. to 11 a.m. and 6 p.m. to 7 p.m.

Saturday, April 2; 3 p.m. – 4 p.m.

For more information and to register for the in-person meeting, please visit: socalgas.com/VenturaPublicForum

UPCOMING PLANNED MAINTENANCE

Starting on March 2, we have planned maintenance work within the Ventura Compressor Station, unless weather or other conditions require us to postpone the work. To complete this pipeline work safely, a small amount of gas may be released; however, this gas will be vented through carbon canisters, to help minimize potential odors in the area. We do not expect these actions to result in disruptions to the community.

For more information, please visit socalgas.com/Ventura or contact us at projectinfo@socalgas.com or (805) 681-7937.
