SoCalGas does not endorse or warrant any manufacturer's products or installer's services and shall not be liable or responsible for any claims arising out of or related to the purchase, installation, use or performance of any such products. The Home Energy Efficiency Rebate Program is funded by California utility customers and administered by SoCalGas under the auspices of the California Public Utilities Commission. This program may be modified or terminated without prior notice, including the expiration date of this application, and is provided to qualified customers on a first-come, first-served basis until the program funds are no longer available. Limit one rebate per appliance per individual residence. Other restrictions may apply. Item must be new and the rebate amount cannot exceed the cost of the item purchased. Resale products, products leased, rebuilt, rented, received from insurance claims, won as a prize, or new parts installed in existing products do not qualify. Reference herein to any specific information regarding SoCalGas or any commercial products or services by trade name, trademark, manufacturer, or otherwise does not constitute or imply endorsement, recommendation, or favoring by SoCalGas. Actual savings obtained in each instance may vary and will depend on various factors, including geographic location, weather conditions, equipment installed, usage rates and so forth. Completing multiple energy-saving measures will not necessarily result in cumulative savings.

TERMS AND CONDITIONS

1. To be eligible for a rebate, I understand that: (a) I must be a residential customer on a residential rate with an active meter serviced by SoCalGas for the installation address and, (b) the product(s) I have installed must qualify as described on the specification sheet incorporated herein by this reference and be designed to reduce my consumption of the energy distributed to me by SoCalGas at the installation address. I understand I must complete a separate application for each installation address for which I am requesting a rebate. All uses herein of the words "install", "installation" or similar phrases shall mean complete installation such that the subject products are fully functional.
2. I understand the rebate offer is limited to residential customers for residential use. The energy-efficient product(s) must be installed in a residential dwelling within SoCalGas' service area. The dwelling unit must be fully constructed and occupied.
3. I understand the program term is December 1, 2023 through December 31, 2024, and may end sooner if allocated funds are depleted. Product purchases and installations made prior to December 1, 2023 or after December 31, 2024 do not qualify for a rebate. Resale products, products leased, rebuilt, rented, received from warranty or insurance claims, won as a prize, or new parts installed in existing products do not qualify. Funds are limited. **ALL** applications are processed on a first-come, first-served basis, upon receipt, until funds are depleted. **INCOMPLETE and INCORRECT APPLICATIONS CANNOT BE PROCESSED.** Resubmitted applications are processed on a first-come, first-served basis upon the new receipt date. The program may be modified or terminated without prior notice. In the event rebate amounts change during the program period, the order/purchase data and/or application postmark date will be used to determine product eligibility and rebate amount.
4. I understand that a signed and dated rebate application form, completed product form incorporated herein by this reference, all appropriate proof(s) of purchase, and other required documentation as referenced in this application package must be sent to SoCalGas' Processing Center postmarked by December 31, 2024 to be considered eligible for payment of a rebate. A rebate payment for qualifying product(s) is generally mailed six to eight weeks after SoCalGas receives and approves a completed application, including all required documentation, unless an application is selected for a verification, which may add additional time.
5. I will allow, if requested, SoCalGas' and/or California Public Utilities Commission (CPUC) representative reasonable access to my home to verify the installed product I have purchased before a rebate is paid. I understand that a rebate will not be paid if I refuse to participate in any required verification. I understand that SoCalGas may contact the qualifying product vendor and/or installer, if needed, to verify purchase and/or installation and may provide my name and/or address to complete this verification.
6. I have installed qualifying product(s) and understand the energy-efficiency level of the qualifying product(s) (as defined in the specification sheet) determines the rebate amount. The rebate amount cannot exceed the purchase price. I understand that I cannot receive a rebate for the same product or equipment from more than one California investor-owned utility or third-party energy efficiency program offering rebates, financing or other incentives funded with CPUC Public Purpose Surcharge funds. Products receiving a SoCalGas rebate at the point-of-sale, as an instant markdown, through a Regional Energy Network or through a manufacturer/distributor, do not qualify for a mail-in or online rebate.
7. I agree that the selection of qualifying product(s), selection of manufacturer, dealer, supplier and/or installer, and purchase, installation and ownership/maintenance of the qualifying product(s) referenced in this application package are my sole responsibility, and that my manufacturer, dealer, supplier or installer of these products and measures is not an agent or representative of SoCalGas. I understand that SoCalGas makes no representations regarding manufacturers, dealers, contractors, materials or workmanship. **I ALSO UNDERSTAND THAT SOCIALGAS MAKES NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, USE, OR APPLICATION OF THE PRODUCTS OR MEASURES.** I agree that SoCalGas has no liability whatsoever concerning (1) the quality, safety and/or installation of the products, or measures, including their fitness for any purpose, (2) the estimated energy savings of the products or measures, (3) the workmanship of any third parties, (4) the installation of use of the products or measures including, but not limited to, effects on indoor pollutants, or (5) any other matter with respect to the 2024 Home Energy Efficiency Rebate Program. I waive any and all claims against SoCalGas, its parent company, affiliate companies, directors, officers, employees, or agents, arising out of activities conducted by or on behalf of SoCalGas in connection with my application for any rebate(s) under the 2024 Home Energy Efficiency Rebate Program. Without limiting the generality of the foregoing, none of such parties shall be liable hereunder for any type of damages, whether direct, indirect, incidental, consequential, exemplary, reliance, punitive, or special damages, including damages for loss of use, regardless of the form of action, whether in contract, indemnity, warranty, strict liability or tort, including negligence of any kind.
8. I am responsible for meeting all program requirements and complying with my state/county/ city governments, property owner and/or homeowner's association requirements (if any) in my area regarding local conditions, restrictions, codes, ordinances, rules and regulations covering this installation.
9. If a tenant, I am responsible for obtaining the property owner's permission to install the measure for which I am applying for a rebate. My signature on this application indicates I have obtained this permission.
10. I understand that SoCalGas is not responsible for items lost or destroyed in the mail/transit.
